Freeway 280 Progress Seen . . .

A rising shape marks progress on Route 280 at the northern end of Eastmoor to Arroyo Freeway project near Daly City, where extension job is listed as 35 per cent complete.

Road Progress Report Is Given

Alan S. Hart, State Division of Highways District Four engineer, said the second construction project to extend Route 280 from Eastmoor Avenue in Daly City to a half-mile south of Arroyo Drive in South San Francisco is 35 per cent complete.

The project is expected to be finished early in 1968.

Hart tied in a general summary of progress on freeeway projects with National Highway Week.

Four major projects totaling almost $34-million in construction costs for 17 miles are currently completed or in progress within San Mateo County on Interstate Route 280—known locally as the Junipero Serra Freeway.

At the same time, Hart pointed out, design studies are being expedited on the remaining 13 miles of the route in the county so that the entire 50-mile facility between San Jose and San Francisco will be completed befor the 1972 deadline.

At the north end of the county, all of the work has been completed on the $10-million first project—the portion between Eastmoor Avenue in Daly City and Orizab Avenue in San Francisco.

The sum of $500,000 has been budgeted for landscaping 2.7 miles of freeway on Routes 280 and 1, between Eastmoor and San Jose Avenue in San Francisco. The project is to be advertised late this year.

Access to the Eastmoor freeway phase—a $10.5-million project—will be provided through interchanges at Westborough Boulevard, Hickey Boulevard Extension and the Collins Avenue extension. Separations for local traffic are being built at Chinese Cemetery Road and King Drive extension.

The freeway, explained Hart, is being constructed on a split-level profile through the hills west of the existing Junipero Serra Boulevard bordering the Winston Manor district, with southbound lanes 12 feet higher than the northbound roadway.

Excavation and miscellaneous drainage work is currently in progress. The contractor is placing cement-treated base

Taxi Driver Is Robbed By Two 'Fares'

A cab driver was beaten and robbed of $50 by two "fares" he had picked up at San Francisco International Airport early Monday.

The victim, Donald Eugene Adam, 27, 270 Unberger Drive, San Jose, who drives for a San Francisco cab company, told San Bruno police he had picked up two men and two women at the airport at 3:35 a.m.

He was directed to Sixth and Walnut Streets, a quiet residential area in San Bruno just north of San Bruno Avenue and west of the Bayshore Freeway, where the woman, said to be about 25 years old, was let out.

Adam said that as he started

Cab Denied D.C. Permit To Operate

A request to operate a taxicab company in Daly City was denied by the City Council Monday night.

Frank Menicucci informed the council the proposed company would operate on a 24-hour standby basis and provide service at established rates throughout the city.

In other action at Monday night's regular council meeting, a permit filed by Valhalla Builders, Inc., to erect three signs at the corner of Mission and Garibaldi streets was approved with certain stipulations; a revolving sign planned for the corner would have to be made stationary.

A variance request of Anthony Rowan to reduce his rear yard at 98 Vendome Avenue to zero feet for construction of a garage was denied by the council after a resident complained the structure might cause traffic congestion in that area.

The Planning Commission had earlier recommended a ten-foot space be allowed between the garage and property line.

S.S.F. Tract Zoning Meet

A public hearing will be held October 3 in San Bruno to consider a request for rezoning portions of the Tanforan subdivision.

Developers of the project requested zoning changes after the "tight money" situation rendered construction of the originally proposed apartment complex infeasible.

The zoning board has shown reluctance to grant the changes on a "piecemeal" basis and has requested that developers submit a new overall plan for the 111 acre center.

School Board Makes Move

By WIN JOSSELYN

Can the Jefferson Elementary School District Board of Trustees "investigate" one of its own members?

Chairman George G. Perry thinks it can, and at a special board meeting last Friday he named Trustees O. Wayne Douglas and Thomas F. Noonan as "a committee to gather additional facts" in the case of Trustee Peter T. Galiano, an attorney, whose clientele includes the California Teachers' Association.

The situation dates back to August 15, when Galiano submitted a letter to the board revealing his legal connection with the Bay Section of the CTA.

The board made the letter a matter of record and referred it to the county district attorney for "counsel and advice" on Galiano's possible conflict of interest.

Controversy between Perry and Galiano has followed at subsequent board meetings.

A climax came September 19 when the district attorney "disassociated" his office from giving the legal advice requested in the matter. His letter stated that the district attorney had determined not to refer the matter to the attorney general, as Perry had asked, and advised the district to "employ private counsel."

Perry then suggested the board form its own committee to gather more facts and evaluate its future actions. Galiano immediately threatened an injunction against Perry and any other trustee if there was any "gumshoeing into my life."

The next action by Perry was to query the district attorney's office if, as board chairman, he could form a fact-finding committee within his own board. The reply from Miss Lois Scampini, a deputy district attorney,

Westlake 3 Gets Its Bus Stop

Residents of the Daly City region known as "Westlake Three" and officials of the Jefferson Union High School District reached an agreement this week on resumption of bus service for high school pupils.

District trustees, upon the recommendation of school administrators and two spokesmen for the area's residents, approved a bus stop at Sheffield Drive and Alemany Boulevard.

Starting at 7:35 Tuesday high schoolers of the Westlake Three area could ride to school by bus, because one of three buses transporting students in the region consistently was arriving at Westmoor School with 27 empty seats.

The district's opening-day elimination of bus service for students in the area brought trus-

2 More Lives Lost Off Devil's Slide

Looking at a Watery Grave . . .

A watery grave waits at the bottom of Devil's Slide for the hapless or careless motorist. Four automobiles have plunged down the slide within the past month, with at least two persons killed. This is the spot where the car of bartender Pedro Lopez was found Monday, beaten and smashed by the surf. Lopez has not been located, and it is almost certain that he became the third victim of the treacherous slide area within a month, perhaps washing out to sea after the crash. (Post Photo)

Montara Driver Missing

Second Plunge Within Week

There is mounting fear today that a Montara bartender, missing since he left for home from work early Monday, might have become the second victim in a week of sheer treacherous Devil's Slide.

Missing and presumed dead is Pedro Jose Lopez, 33, who was employed at the Frank Torres Beach Hotel in Montara, about one mile south of the crash scene.

When there is a rescue to be made, or a car is over Devil's Slide . . . a highly trained unit from Pacifica's Fire Department is dispatched to the scene. A story on that hazardous phase of a Pacifica fireman's professional life is on Page 17 of this week's Post.—Editor

Highway Patrolman Ben Donahue said Lopez got off work at 2 a.m. Monday and was apparently on the way to his San Francisco apartment when his car left the road on a curve. His wife notified authorities at midmorning that Lopez had not returned home from work.

The car was seen bobbing up and down in the rolling surf shortly before noon.

Donahue said skid marks on the highway indicated the auto left the highway at great speed. It flew trough the air for about 75 feet, hit an outcropping and then plunged straight down for 150 feet into an inlet.

Joe Miles, chief of the Point Montara Fire Dept., reportedly inspected the wreckage at a time it was beached and ascertained that no one was inside.

Pacifica firemen, searching the face of the cliff for bodies, came upon a grey sports jacket containing Lopez' wallet.

When the wreckage was first discovered, one caller told the highway patrol that "several" persons had been in the car. The informant was not identified.

City to Change Traffic Lanes

San Bruno city councilmen approved a recommendation by the Traffic Safety Committee to "re-stripe" San Bruno Avenue east and west of El Camino Real in order to provide two through lane and one turn lane at Monday night's meeting.

In order to make the change, it will be necessary to eliminate parking on the street two blocks on either side of the intersection, councilmen said.

The council also approved the city engineer's preliminary plans for improvements of Montgomery Avenue, and adopted a resolution "taking the first step toward assessment" for the project.

The improvements, which will consist of widening, paving, and curbing about a block of the street, were requested in a petition presented several months ago by property owners.

A public hearing on the project will be held November 14.

The council adopted another resolution amending the city budget for the coming fiscal year to include $65,000 for Tanforan sewer improvements. This outlay is in accordance with agreements with the federal government on the project, Mayor Karney Barberian said.

In other business Monday night, the council granted two taxi permits to Samuel Pyat, who is starting a taxi business in the city, and granted use permits to the California Council for Retarded Children for gum vending machines.

A recommendation by the city manager to beautify the Southern Pacific Railway and San Francisco Water Company right-of-way between San Bruno Avenue and Forest Lane was approved. The strip of land will be "cleaned up" and graded.

The council heard a report from the city manager dealing with "a number of complaints" from Linden Avenue residents concerning night time promotional activities of the Gil Hile automobile dealership on El Camino Real.

Residents complained about the use of search lights, genera-

Boost In Post Grid Game 'Pot'

Al Christiansen, 3913 O'Neill Drive, San Mateo, a mailman, won first prize of two tickets to the California-Stanford big game by naming 14 of the 15 games correctly and giving the nearest estimate of the net yards made by the 49ers in their game against Baltimore last Sunday in the second week Post Football Contest.

The other contestant who picked 14 winners was L. F. Rawleigh of Belmont. Those who picked 13 winners included J. P. Wury of Daly City; Ron Thue of Millbrae; Mrs. Esther Oates and J. W. Branch of San Bruno; Art Preston of Burlingame; Mike Craig, Bob Blount, Don Barker, T. Joyce, Edward Travis, Walt M. Moore, and A. L. Christiansen of San Mateo; Truett Welch, C. Borrecco, and L. J. Rawleigh of Belmont; John Vehhor and Austin Parlette of San Carlos, and Jack Schipper of Redwood City.

Since there was not a cash winner, this week's prize is $100 plus $50 bonus for being a home delivered subscriber to The Times. Thursday night is the deadline.

Christiansen, a native of Wisconsin, has lived in San Mateo for 16 years. His sports interest other than football is fishing. He has been a regular participant in the Post Football Contest for several years and has been a near winner before.

'Underground Utilities...But Curbside Mailboxes'

The United States Post Office's recent ruling for curbside mailboxes came under fire from Daly City councilmen Monday night.

In a resolution requesting the Postmaster General to reconsider his stand on the matter of curbside mail delivery, the council "respectfully requested" Daly City be "released from these requirements."

The battle stems from the postmaster general's ruling which indicates mail deliveries in "new housing areas" will be curtailed unless curbside mail receptacles are provided.

Portions of both the Serramonte and Westborough tracts would come under the ruling

It was pointed out in the resolution that Daly City is pursuing a program of civic beautification and boxes mounted on poles would not enhance this program.

"Subdividers and developers within the city are placing utilities underground, dedicating lands for parks and recreation, installing street trees and providing other similar aesthetic benefits in all new resident areas.

". . . The city of Daly City considers the installation of curbside mailboxes to be of no practical benefit under the conditions which exist within the city and that curbside mailboxes are contrary to and inconsistent with the planning and aesthteic goals of this city," the resolution read.

Whether a homeowner could "legally" install these boxes at curbside in certain areas was questioned by City Attorney Paul Hupf.

Public rights of way in new subdivisions are required to include the placement of four and one-half foot wide sidewalks immediately adjacent to the curb and a four and one-half foot wide utility strip (owned by the city) between the sidewalk and the right of way line," according to Hupf.

"It would, therefore, be impossible to place these boxes closer than nine feet from the curb," he said.

The resolution, was sent to the Postmster General's office "to inform him of Daly City's stand in this matter," Mayor Albert E. Polonsky said.

Reinstatement of Ousted Police Clerk Is Sought

Attorney Thomas L. Bocci, Friday, demanded the reinstatement of Mrs. Janel O. Colburn, former Daly City Police Department Clerk, and back pay of more than $4,693 accumulated since her dismissal last January.

Embezzlement charges lodged against Mrs. Colburn by the city were thrown out by Superior Court Judge W. Howard Hartley last Wednesday because of lack of evidence.

Mrs. Colburn had worked as a police department clerk for some two years before being suspended last September on charges of falsifying public records to conceal the alleged theft of more than $2,000.

Following the ruling last week, attorney Bocci said $5,000 was still unaccounted for in the police department and charged "there are at least 10 possible suspects" who might be responsible for the shortage.

"I don't know where he (Bocci) got the $5,000 figure," City Manager Ed Frank told The Times. "The auditing is handled by an outside firm. The system of handling bail money however has been completely revised."

(The alleged thefts occured in bail revenues, it was charged.)

"It has been my contention right along that the wrong person was arrested in this matter," Attorney Bocci charged. "Those responsible for the crime, set Mrs. Colburn up as the prime susptect, to avoid detection."

Bocci said now that his client was cleared of any wrongdoings connected with her past position, the city must meet his demands concerning reinstatment and back pay or "legal steps" would be taken.

"I haven't had time to study (Bocci's) letter yet," City Manager Frank said. "I cannot comment on it at this time."

San Bruno Policeman Bottasi Dies

The San Bruno Police Department lost one of its "most efficient and best liked officers" last Wednesday, with the death of policeman Stephen Bottasi, Chief Russell J. Cunningham said.

Bottasi, 62, was a veteran of more than 21 years service with the department, and "received numerous commendations and awards from both the department and a grateful citizenry," Cunningham said.

Known as a lovable and "friendly policeman," he served as the city's overtime parking enforcement officer for 15 years.

Ill about three weeks, Bottasi died of an apparent heart attack at Peninsula Hospital.

He is survived by his widow, a daughter and a son.

Sewage Pump Station Is Given Up With Flourish

By FRANK LaPIERRE

A Daly City sewage pump station that was built eight years ago at a cost of $30,000, but took "five times that much to service," was abandoned with a flourish and a bucket of whitewash last week.

The troublesome St. Francis Heights sewage pump station not only kept maintenance crews hopping, it prevented expansion of two major subdivisions—Serramonte and Westborough.

"The station was designed to handle about 2,500 homes," E. V. Schulhauser, of the Suburban Realty Company, explained to The Times. "At last count it was servicing some 6,000 homes in the area."

Maintenance workers had little sympathy for the outdated pump station.

Several workers cheered as sanitation department inspector George Whitney slapped a large white "X" on the side of the building, marking it for destruction.

The Junipero Serra trunk sewer runs from Washington Street and Junipero Serra Boulevard, southerly along Junipero Serra, and westerly under the new Cabrillo Freeway along Southgate Avenue extension before terminating at Cerro Drive.

The 7,000-foot long pipeline, a joint venture between the north San Mateo County Sanitation District and the Suburban Realty Company, developers of Serramonte subdivision. Funds for the project came wholly from connection fees, a sanitation district spokesman said.

The new trunk sewer line will eventually carry some two million gallons of sewage daily, serving the entire Serramonte and Westborough subdivisions, in addition to portions of Westlake Knolls and St. Francis' Heights areas.

Robert V. Bernicchi, district engineer and manager for the North San Mateo County Sanitation District, said the facility was "made possible through the advance planning" of Schulhauser in co-operaiton with both directors and staff of the Sanitation District.

Falls From D.C. Roof

A seven-year-old Daly City boy suffered a broken leg when he tumbled frm the roof of a condemned building last week.

Richard Fisher, of 191 San Diego Avenue, was playing on the roof of a vacant home at 59 San Pedro Avenue, at the time of the accident.

Battalion chief Mel Hansen of the Daly City Fire Department said the youth was jumping from the roof into a discarded mattress.

ters and a public address system at the business. The police department was instructed to investigate the matter.

Councilmen voted to accept the low bid of the Crown Corporation on a "snorkel" type fire truck. The bid, lowest of three entered, was $77,654. The truck will be delivered is about one year. The city has $66,000 on hand for the purchase.

Henry Crosby, a resident of the Pacific Heights area, appeared before the council and said he thought the members had "abrogated the voters' rights" in granting a controversial use permit for a gasoline station.

Mayor Barberian told him that matter was "settled as far as the city is concerned" with the granting of the permit, and any further action would have to be in court. Crosby said he would seek a court decision against the city in the matter.

James Hensel, a former city planning commissioner, was reappointed to the traffic safety committee at the meeting.

The meeting was closed in memory of Stephen Bottassi, a San Bruno policeman for 21 years, who died last week.

to collect the fare, one of the men in the rear seat grabbed him around the neck, choking him as he pulled back.

Adam was told, "Don't move, we don't want to shoot you. We're going to have your money."

The two men took his wallet, which, police said, contained about $35 in fares and about $150 of his own money.

One suspect then slugged Adam on the right jaw with his fist. Adam, faking a "knock out" slumped over the steering wheel, but the robber struck him hard twice more before the duo got out of the cab and raced away on foot.

A Montara Bartender Is Missing

(Continued From Page 1)

Francisco business consultant was killed when his car toppled over the edge of a verticle Devil's Slide precipice and landed in a rocky crevice 300 feet below.

A witness said when he last saw the car, it was hung up atop a stone wall at the top of the cliff. By the time help arrived, car and driver were smashed on the rocks below.

Dead is Alton Leroi Papworth, 64, a self-employed management sales and marketing consultant.

Highway Patrolman L. F. Rollin and L. A. Thorwaldson said Papworth was driving southbound at about 10:45 p.m. when his sedan failed to come out of a curve, crossed a dirt shoulder and came to rest with the right front wheel atop the low barrier wall.

Capt. Calvin Hinton of the Pacifica Fire Department Rescue Squad was lowered in a cable basket. He found Papworth's body on the rocks near the car. He then made sure that there were no more bodies in the auto, which was held by one wheel about 100 feet above the ocean. Papworth's body was taken up the face of the cliff in the basket.

tees a petition with some 200 Westlake signatures and vocal protest at the board's meeting earlier this month.

The board at that time called for a restudy of mileage figures that administrators had used to determine that Westlake Three residents were within the two-mile limit within which bus service is not provided.

District Supt. Ed Morgan and an assistant, Fred Goodell, met with two representatives of the residents, C. J. Norton and R. T. Parry, who worked out apparently to mutual satisfaction the new bus management.

In other business trustees:

—Learned that two real estate men have placed the value of the district's MacArthur Street lot—vacant and described as a fire hazard with its dry grass and accumulation of debris—at between $7,000 and $9,000.

—Approved the investment of $1,023,568 in U.S. Government interest-bearing obligations, per an agreement between the district and Suburban Realty Company on the purchase and sale of the Serramonte High School site. The money currently is in custody of a title company.

—Authorized construction of retaining walls and installation of bleachers at two district schools.

—Approved a contract with San Francisco State College, whereby the college may assign students to the schools in the district for practice teaching.

—Were reminded they will meet next Monday, at 7:30 p.m., with Pacifica councilmen and recreation commissioners.

was that there was nothing in the code to prohibit such action.

This led Perry to call the special meeting attended by Perry, Noonan and Douglas. Perry named the other two as committeemen.

Trustee Galiano told a Post reporter he had not received a notice of such a meeting. He would not comment until he learned more of what took place at the meeting.

Regarding upcoming action by the committee, Chairman Perry said, "Our purpose is to determine information of a more comprehensive nature than has come to us, relative to Galiano and his admitted legal client the CTA.

"Because the district attorney has declined to render an opinion on the conflict of interest matter, we are forced to get a fuller understanding through use of an internal committee. In naming such a committee, I did so after being advised by Miss Scampini, of the district attorney's office, that there was no legal provision to prevent me."

The method of "fact finding" to be used by the committee was not disclosed.

Slayton Child Dies of Fire Injuries

Jeanne Ann Slayton, 8-month-old South San Francicso fire victim, died at Stanford Medical Center Friday.

She had suffered second and third degree burns over 90 per cent of her body in a fire which charred the family's wood frame home at 662 Baden Avenue September 14.

The Slayton's four-year-old son, admitted starting the fire while playing with matches in a bedroom.

Little Jeanne Ann was asleep in her crib at the time of the fire.

14-Year-Old Injured In Gun Mishap

A 14-year-old Pacifica youth, Timothy James McCloy, is in "serious condition" at Letterman Hospital with injuries he suffered last Wednesday when a homemade muzzle-loading gun exploded.

Pacifica Police Patrolman Bruce Rivers, who investigated the casualty, said McCloy was attempting to fire the weapon at a fence near the garage of the family home at 260 Arroyo Drive when the "gun blew apart."

Police reports said the youngster received a three-quarter inch puncture on the right chest, in addition to numerous powder burns about the face, eyes and arms.

He was rushed by ambulance to Mary's Help Hospital after two firemen from nearby Central Station, Capt. Ken Donohue, and Harvey Georgeson, gave emergency first aid.

Transferred then to Letterman the youth underwent surgery last night and his condition was termed "serious" by a Letterman spokesman.

Patrolman Rivers said young McCloy had built the gun as a Boy Scout project.

The accident occurred at about 7:30 p.m. when McCloy and a friend Steven R. Fall, 13, were attempting to fire the device at a wooden fence that abuts the garage.

The gun was loaded with smokeless powder and a .45 caliber slug, Rivers pointed out in his report.

In attempting to ignite the powder through the flash hole with a butane torch, the victim could "only muster a fizzle" the police report stated.

McCloy then stuck the point of a pencil into the hole "for some unknown reason" and at this time, the gun which was against the boy's chest, exploded, blowing the breech rearward into the right chest.

The muzzle loader was 43 inches long over-all. The 28-inch barrel was made of three-eighths-inch galvanized water pipe.

The youth's father had given him a can of smokeless powder to experiment with, police reported.

Rivers quoted McCloy as being through playing with guns.

A Daly City Commendation For Division

Daly City Engineer A. W. Reschke commended the State Division of Highways for its "excellent co-operation" regarding construction of the Junipero Serra freeway project in that city.

"I should like to take this opportunity to express the appreciation and thanks of the city of Daly City for the fine job by the division of highways on completion of the Junipero Serra freeway.

"There was a minimum of interference with traffic and we received excellent co-operation from your offices," Reschke wrote in a letter to Alan S. Hart, district engineer for the state.

CALLING ALL HOMEMAKERS

By Donald C. Waite

DO YOU HAVE TO GO OVERBOARD ON PRICE TO HAVE A BEAUTIFUL HOME?

Wouldn't it be wonderful to have your home furnished beautifully without going overboard on price? Did you know it can be done!

You can get furniture and accessories you'll like and still stay within your budget because we have had much experience in solving this very problem—helping people select their furniture to fit a specific budget.

We can suggest styles, fabrics, textures, colors, wood finishes and arrangement that will help you furnish your home beautifully without exceeding your budget. And we can show you a wide choice and complete selection.

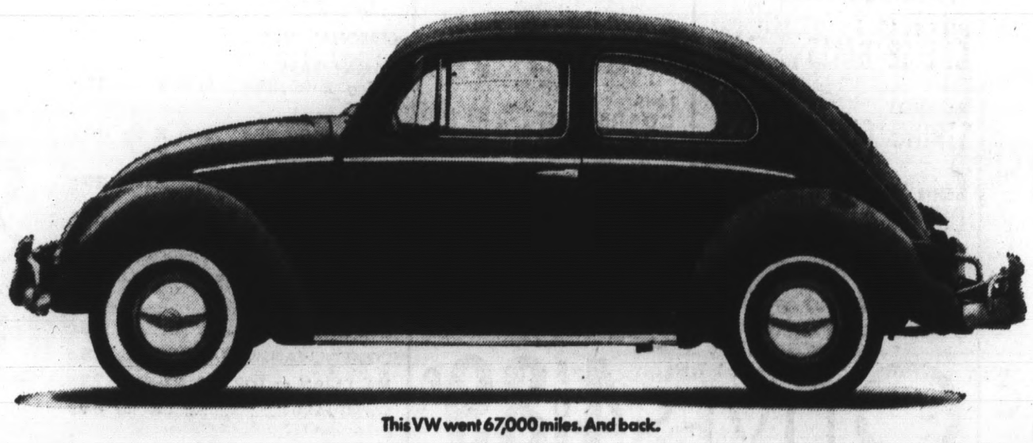
Whether you are conservative or daring in your tastes; whether you need an odd piece or a complete home of furniture, you won't regret paying us a visit.

Remember—it CAN be done. You can have an attractively furnished home whether you have a big budget or a small one.

Take advantage of the help we can give you. Come on in. **Our decorators, here at Sterling Furniture in Westlake Shopping Center are at your service no matter what your decorating problem may be. We are open Wednesday and Friday evenings 'til 9 p.m. for your shopping convenience.**

©VOLKSWAGEN OF AMERICA, INC. DEPENDING ON ACCESSORIES, LOCAL TAXES AND DELIVERY CHARGES.

The most economical thing about a VW is how long it's economical.



This VW went 67,000 miles. And back.

Unless you've been marooned on a desert island, you probably know that the Volkswagen has quite a reputation for being cheap to run.

As a matter of fact, a lot of VW owners have turned into crashing bores by talking endlessly about it.

It may be boring, but it's true.

Almost everyone gets about 27 miles to a gallon of regular gas. (Some get a bit more or a bit less depending on where and how they drive.)

It doesn't take much oil to keep a Volkswagen going. And tires that go 40,000 miles per set is no special news. (They're built to carry almost twice the weight of the car.)

The secret of more tire wear: more tire.

There aren't a lot of repairs and adjustments to put up with, either.

Parts don't cost a fortune because so many of them are interchangeable from one year to the next.

And license plates and insurance generally cost less than for other cars.

All in all, a Volkswagen can save you a good $200 a year.

Not bad.

But the thing that really sets the VW apart from other cars is its low depreciation.

The difference is staggering.

The fact is, domestic cars depreciate 2 times as fast as a Volkswagen in only one year.

A one-year-old VW that cost about $1825* now is actually worth more than many year-old domestic cars that originally cost $2,100.

Stick around; it gets worse.

A 5-year-old Volkswagen could be sold for as much as $900 if it's in reasonably good shape.

But that 5-year-old $2100 car is now worth maybe $400-$500. Maybe.

So it doesn't take an Einstein to figure out what an ugly hole depreciation can put in your pocket.

Unless you buy a Volkswagen.

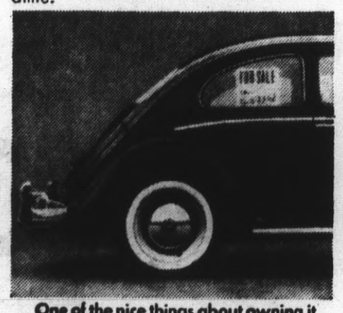
And one Volkswagen may be all you'll ever have to buy.

Say you buy a 1967 VW for $1,825.*

And say you save that $200 on running it every year and put it in the bank.

In 5 years or so, you can take that car (if it's in reasonable shape) together with the money you've saved to your local friendly Volkswagen dealer.

Chances are you can drive out with a brand-new VW and not have to add a dime.



One of the nice things about owning it is selling it.

If you don't like that idea, there's another alternative.

Buy a '67 VW and just drive it.

No one will stop you from keeping the same VW for as long as you like. (No one will know the difference anyway; we never change the way it looks.)

So you can just go on saving all that nice money year after year and get rich, at our expense.

Maybe the VW really can't make a poor man rich.

But neither can it make a rich man poor.

at the POST

By LE PACINI

As we write this, the Giants are abandoning ship, and now that Herman Franks has a new contract we have the feeling the public's going to demand Horace Stoneham, go down with his own ship!

Poor old Horace.

Some people complain that Stoneham runs the club and that his managers are mere figureheads.

If Horace really does run the club, he's in for much more credit than criticism. The Giants have almost always been in the pennant race since they've come to San Francisco, and have still won more pennants than any other team in the National League, many of them under Stoneham's regime.

Bill Veeck admits that Horace is more an asset than a liability when he's making trades, because rival traders who try to ply him with booze to finesse him into a mistake, invariably have the tables turned on them . . . in fact end up under the tables.

☆ ☆ ☆

IN regard to those trades, we're becoming somewhat bored with the all-star teams of ex-Giants people insist on forming. You can do the same thing with ex-Yankees, ex-Dodgers, ex-49ers, ex-Rams, and even ex-Athletics.

The point about trades—which people seem to forget—is that when contending teams trade they generally do so for immediate results, and depend on their farm clubs to supply the future. Thus, the now notorious Bill White-Sam Jones trade, which in hindsight was bad, in retrospect was nearly perfect.

White wasn't going to beat out Cepeda and—like Cepeda several years later—couldn't or wouldn't play the outfield. The Giants needed one more strong starter, and that Sam Jones was, winning 19, including all the crucials. The Giants just barely lost that year, but certainly not because of White's absence. Without Jones they wouldn't have been close.

Now take a look at some of the seemingly imbalanced trades just since the Giants have been on the coast. Off-hand we can think of Billy O'Dell, Ruben Gomez, Bob Shaw, Cepeda, Jose Pagan, Manny Mota, the Alous, Jackie Brandt, Willie Kirkland, Leon Wagner and Jose Cardinal.

In every case the player was either crying about bench slivers and requesting the trade, or had a reputation, to put it nicely, of not being much of a team man—didn't seem to get along with people.

What fans will forget long before they forget their bleats against Stoneham are one of the weakest hitting outfields (even with Mays) in baseball, THE worst defensive left side of the infield in the game, (what worries us is that Tito Fuentes is beginning to look like Jose Pagan) an utter helplessness in moving runners along which resulted in numerous rally-killing doubleplays, and an aggregation of the dullest baseball minds this side of Charley Finley. Imagine what it would have been like WITHOUT Horace's trades.

☆ ☆ ☆

PERHAPS what the Giants really needed this year was dissention, like the Pittsburgh Pirates. It may be that Pirate manager Harry Walker used one of the oldest morale builders known—unite and fight the common enemy—Walker!!

One thing the Pirates did do was to support an earlier theory we had on why pitchers dominate the game today—because hitters don't wear them down with the attrition of singles but allow breathing room with the home run swing.

The Pirates did hit the long ones, too, but there were always people on base when they did. Ask any manager what he'd prefer, three homerun hitters or six .300 hitters, and he'll take the latter—undoubtedly over huge protests from the fandom.

It is a fact that more runs can be scored with a lot of singles than random homers, and you need only check statistics of the old days to prove it to yourself.

Not only do homerun hitters make it easier on the pitchers, but because they afford quicker scoring they keep infielders, who no longer must wait around on bended knees for hitters to try to psyche pitchers, on their toes, more alert, more effective.

And finally, pitchers dominate because managers haven't yet learned how to use pinch-hitters with the same effect as pinch-pitchers. Relief pitchers are no longer either rookies or old men, hanging on like in the old days, but are specialists, well paid to do their job. But pinch-hitters are still largely, underpaid rookies or old men and still, with few exceptions, without glory, still considered—unlike the current relief pitcher—second-stringers.

And don't forget the factor that relief pitchers come fresh into a game to face more weary men who have already spent a hot afternoon at the field.

☆ ☆ ☆

PERHAPS, ironically, one of the reasons for the Yankee decline is that they were so good they got their players too rich too young. Gerry Coleman retired when he was 33, Gil McDougald when 32, Bobby Brown when 29, Tony Kubek at 28, and now Bobby Richardson, at 31.

☆ ☆ ☆

DID you catch this one by Russ Hodges on a recent Jimmy Hart homer? "That's one of the longest homers he's ever nailed as a batter." What, did he ever hit one as a fielder?

☆ ☆ ☆

WE truly hope Rocky Marciano was kidding when he didn't deny the possibility of coming out of retirement to fight Clay. But it will have to be a fighter of the Rock's type if Clay's to be beaten in the next five years.

X has never been constantly pressured, never had to fight with a cut, never been hit in the belly, never fought a genuine puncher, and above all, has never learned how to fight in close. All things Marciano could do superbly.

LOCAL TAG-ENDS: Belated congratulations to two area people who've made recent news on the sport scene, Sue Horstmeyer and Warren "Scoop" Wynkoop.

Miss Horstmeyer, a South San Francisco girl currently attending College of San Mateo, is of course the new Miss Candlestick Park, and we think that's an honor.

Wynkoop, most recently a San Bruno sportswriter and previously anything in sports you can think of (athlete, Warrior publicity man, columnist, Naval Academy recruiter, etc.) was named director of Pacific Coast scouting for the New York Jets of the American Football League.

A 'Sour' Indian Opening

It's back to the drawing board for coach Joe McGrath and his Jefferson High School footballers.

The Indians made their 1966 debut on a sour note on Friday when they gave up 24 points in the first half and then went on to lose a 31-6 decision to visiting Ravenswood.

"We are a new team with little experience and I knew that we would make some mistakes, but I didn't think that our tackling would be that poor," McGrath stated following the contest. While dismayed over the failure to contain the speedy Ravenswood backs, McGrath did take time out to praise the play of tackle Norm Garcia.

The first break for the Trojans came early in the first period when the Jeff center hiked the ball over the kicker's head and Ravenswood's Lincoln Minor picked up the ball on the three yard line and romped in for the easy score.

Near the end of the period Minor made it 12-0 when he took off on a 49 yard scamper around left end.

Quarterback Jim Boulding started off the scoring for the Trojans in the second quarter when he hit Ron Sledge with a 21-yard scoring aerial.

Ravenswood capped off their first half scoring activity when Boulding raced 16 yards into the end zone culminating a 46 yard drive.

DEFENSE TAKES A NIGHT OFF

Warriors Win IBM Derby

By GARRY NIVER
Post Sports Writer

South San Francisco and Capuchino High Schools, whose football teams have never been known to tarry too much on the gridiron, completely dismantled the adage that "the best offense is a good defense" at South S.F.'s Clifford Field Friday.

Before the last whisper of fog had rolled into South City, 11 touchdowns were scored with the host Warriors landing the final blow and pulling out a narrow 33-26 victory over the Mustangs before 2,500 hoarse fans.

The two teams, displaying a potent offense on both the ground and in the air, countered touchdowns with touchdowns in a contest which saw the score tied on four separate occasions and the issue not decided until the final 25 seconds.

A four-yard run over right tackle by Warrior halfback Russ Cottrell with less than a half minute showing on the clock stole away a 26-26 tie from the determined Mustang crew and gave S.S.F. its 17th grid win in a row and kept the Warriors' 20-game unbeaten skein intact.

The game ended as Warrior defensive back Larry Alsterlind went high in the air with a Cap receiver to deflect a 35-yard pass from Cap quarterback Mike Costanzo.

"I hope that we don't have any more games as close as this one this season," quipped a haggard S.S.F. coach Ray DeJong after the battle had ceased. "I am getting too old for this kind of contest," DeJong added.

The vaunted Warrior defense, which has been very stingy the past three seasons, was unable to contain the speed of Mustang halfback Jim Kauffman and the passing of Costanzo until the waning moments of the game. Actually, Cap's chances for victory were seriously hampered when Kauffman's knee went out on him just before half time. The Mustang speedster scored on a 93 kickoff return and a 44-yard pass play from Costanzo before he was forced to the sidelines. "I don't know how bad it is yet," said Cap coach Gordy Young after the contest. DeJong praised the team for their comeback effort in the final minutes, especially the play of quarterback Vince Olson, end Mike Lloyd and Cottrell.

"Call it what you want to, but I think it all boils down to the pride which these boys carry into each game," DeJong stated.

The final drive by the Warriors was a credit to the entire team. There was just a little over three minutes left when the S.S.F. eleven took over the ball on their own 34-yard line.

A 16-yard run by Olson, another ten-yard blast by Fidel Realyvasquez and a seven and two four-yard squirmers by Cottrell put the ball deep into Mustang territory on the 18-yard line as the clock moved inside the minute mark.

Olson went around end for three yards and a crucial first down and then passed to Lloyd who hauled three defenders down to the Cap four-yard line. On the next play Cottrell powered over from the four-yard line and broke the 26-26 deadlock.

S.S.F. scored first in the first play of the second quarter when Olson rolled out and passed to Olmo cutting across the field into the end zone with a five-yard toss. Cap came right back with Kauffman taking a pitchout and running in from five yards out.

Don's Defense Key to Victory

By TONY BEST
Post Correspondent

If a tenacious defense counts for anything, the prep football season should be a fine one for Aragon High School this year.

Aragon with several players seeing their first minute of varsity football, opened the season with a 14-6 victory over El Camino Friday at South San Francisco's Clifford Field.

And despite their inexperience, the Dons exhibited a strong defense in limiting the Colts to 22 net yards rushing. El Camino penetrated Aragon's 10-yard line three times in the first half and the Dons repelled the scoring threats each time.

Aragon's insurance touchdown in the closely-fought contest came in the fourth quarter when quarterback Bob Irish sneaked over from the two and Bob Tallman converted. The play capped a sustained drive of 66 yards in 17 plays, chief of which was a 21-yard sweep by Bob Burmeister which put the ball on the El Camino four.

Dave Baumar broke a scoreless tie in the third period when he fielded an El Camino punt on his 28 and raced 72 yards down the left sidelines for the game's initial touchdown.

El Camino came back in the final period, scoring on the fourth play of the quarter. Quarterback Frank Lucia rolled to his left, stopped short of the line of scrimmage and fired a pass to Dan Tyler, who had gotten behind the Aragon defense. Tyler covered the remaining distance to the goal line to complete a 50-yard scoring play. On the conversion, the snap from center was high, causing a low kick which was blocked.

After the game, Aragon Coach Gene Gordon commented that it was a typical first game and that his team made many mistakes. He did say that the team played well, for an opener.

Aragon returns to action Friday night, when the Dons meet San Mateo at Burlingame field in their Mid-Peninsula League opener.

Crestmoor Thrashes Coastside Eleven

By JOHN HORGAN
Post Sports Writer

"I bought my kids a bunch of weights to use this year and they can't lift them yet," lamented a dejected Jerry Murphy, Half Moon Bay High School's head football coach Friday.

His club had just left the Crestmoor gridiron, 46-8 losers to the weak Falcons and the affable and engaging Murphy was trying to explain his future plans for the fledgling Cougars.

"I've got to go see Henry Doelger (prominent North County builder of tract housing) about getting some homes built over our way," quipped Murphy. And the reasons why were painfully obvious yesterday as the Cougars were thrashed by Crestmoor.

Craig Brown's outfit got touchdowns on long bursts from six different players to turn the game into a rout early. Halfback Jeff Dirking, who scored twice, opened the point-making with a seven-yard scamper early in the first quarter and the Falcons trailed after that.

Racking up almost 400 yards rushing, Crestmoor, playing a regulation varsity game on its home field for the first time in its brief history, got other touchdowns from Juris Dumpis on a 33-yard run Dirking agains on a 61-yard ramble; Ernie Hall on an 81-yard kick-off return to begin the second half Jimmy Thompson on a seven-yard run; Bill Long on a recovery in the end zone of a blocked punt, and Phil Browne on a 59-yard run.

Half Moon Bay scored in the closing minutes on a safety and a two-yard run by halfback Andy Riddlell after Crestmoor had a huge 46-0 lead.

But Murphy (and, for that matter, Brown, too) was philosophical after the disastrous loss: "We have no weight in the line — we average only 172 pounds per man there—but we will hit. No one quit on us today. Give us some time."

Asked about the Cougars' prospects in the North Peninsula League, Murphy replied: "I'm glad we got in the league. We had to do it some time. Why not now?"

Brown, whose club must play a solid and surprising Mills unit next weekend said he was "pleased" with his team but that "Mills is apprently much better than anticipated." He also cautioned about Capuchino: "Watch them. They are going to be rugged."

The Cougars, who had only 27 boys in uniform yesterday (like Crestmoor; must play Jefferson next weekend.

Murphy's club will work out with weights with vigor this coming week.

Half Moon Bay, Short 'Horses', N.P.L. Problem

By JOHN HORGAN
Sports Writer

FRIDAY AFTERNOON at 3:15 Half Moon Bay High School will play Jefferson of Daly City in a North Peninsula League football game. The contest marks the first NPL encounter of the 1966 season and the first-ever varsity grid game for the Cougars in that league. However, serious questions have arisen in the past few weeks about the desirability of having Half Moon Bay participate in varsity football this year against major competition.

Granted the small (450 students) Coastside school should come into the circuit in the future (just when is unsure at this time), but, for the present, the mere thought of seeing Half Moon Bay play a team like South San Francisco leaves one limp with sympathy.

For one thing, it is unfair for South San Francisco to play Half Moon Bay. It is unfair to both teams. Why should a team like SSF, which is one of the premier large schools in the Bay Area, participate in a league with a tiny school like Half Moon Bay? And, conversely, why should Half Moon Bay be asked to play a team like South San Francisco?

Having lost to comparatively weak teams by combined scores of 88-15 in just two weekends, it is obvious that the Cougars are simply not on a par with even the poorest of the county's other 21 teams. Thus, to schedule them into the same league with large schools like Westmoor and El Camino is sheer nonsense and should have been detected as such by the officials of the North Peninsula League. And there is one of the real sore points of the year.

In 1965-66, when Half Moon Bay participated in most sports on a varsity basis except football, it became painfully obvious that the Cougars could not handle even the weaker league members in such elementary sports as basketball and track. The situation proved to be downright embarrassing for all concerned: parents, players, coaches and students.

How do you explain a track meet in which Half Moon Bay could score only one point? How do you coach the opposing team? Do you tell your boys to ease up on the opposition? That's perverting the entire concept of the game. How do you get Half Moon Bay athletes to feel that they have any hope of being respectable in a sport when only a handful of obviously inexperienced boys come out for a sport? What is behind the thinking of authorities who would submit their boys to such woeful treatment week in and week out? Further, what motivated the league to take this school into its system in the first place?

Clearly a mistake in timing has been made. Someday Half Moon Bay will be capable of participating against other NPL schools in most sports. But, for right now, the school's membership in the circuit is ludicrous. It hurts the league, the schools, the players, the coaches, the students, the parents, the referees, the teachers and everyone connected with prep athletics in the North County.

In the past, including this current situation, the NPL leadership has regretably fallen far short of expectations. In fact, the chaos and confusion which is annually the order of the day for that loop is fast becoming intolerable. Rectifying the Half Moon Bay fiasco by allowing some sort of compromise in the near future (the present schedules will presumably have to be played out) would be a step in the right direction.

★ ★ ★

ON THE BRIGHT side, the offensive displays put on by county preps over the weekend was somehat dazzling to say the least. Reports from writers and correspondents who covered these encounters for **The Times** bore nothing but praise for offensive performers who sparkled throughout the area.

Some of the statistical data on the games would have staggered certain computers (those made in Red China to be sure—never knock American Supplies in these troubled times).

For example, examine these two-team yardage totals from three random games: **Burlingame-San Carlos, 860 yards; Crestmoor-Half Moon Bay,** 552 yards; and **Carlmont-San Mateo,** 581 yards.

County coaches spent a restless weekend trying to bolster those "stop" units.

No Victories For Pacifica High Schools

The North Peninsula League's two Pacifica entries, Terra Nova and Oceana, both failed to win their practice games Friday but the Sharks did manage a 6-6 tie with Lick-Wilmerding of San Francisco.

Terra Nova lost to Salesian of Richmond, 33-18, in the East Bay city.

Oceana threatened to break the tie twice in the second half yesterday but could not put over the clinching score.

Signups For Lions Golf Event Start

The annual Daly City-Colma and Pacifica Lions Club golf Tournament will be held at the Sharp Park Golf Course in Pacifica October 13.

The entry fee will be $10, which includes green fees, hole-in-one prizes and a hot dish smorgasbord at Nick's Rockaway Restaurant. Since this affair is held to benefit the youth welfare in our community and knowing that you are a community spirited citizen, I feel that you will want to participate.

Colma, D.C. Touch Ball Is Launched

The Colma School-Daly City Recreation Department football league opened its fourth season of competition last week, with 110 boys set to participate.

The league consists of eight teams directed by eighth grade captains.

The teams and captains:

The Mothers, Captain John Matteucci; The Chevies, Captain Dave Bias; The Hellcats, Captain John Giannini; The Nomads, Captain Smokey Morton; The Horney-Toads, Captain Fred Ferrando; The Bullfrogs, Captain Ray Daus; The Jokers, Captain Rene La Quardia; The Vikings, Captain Raul Villereal.

The league opened with the Chevies downing the Mothers, 12-0. Rick Newman socred on two TD passes from Dave Bias. On the same opening day the Hellcats beat the Horney-Toads 7-0 with John Giannini throwing for 6 to Ray Besson.

On the second day of the league, a well-played defensive game was seen between the Bullfrogs and Nomads. The final 0-0 with Smokey Morton and Ray Kaus intercepting passes to keep the oponents honest. This seemed to be a day of ties; the Jokers tied the Vikings 6-6 with Villereal scoring for the Vikings and La Quardia catching a TD pass from Marc Fehl for the Jokers.

The Hellcats won their second game and gave the Mothers their second loss by beating them 13-0. Again John Giannini threw 2 TD passes, one to Ray Besson and the other to Mike White.

The Chevies won their second game by beating the Nomads 6-0. It was a close game until Dave Bias intercepted a Nomad pass with only 1 minute to go for the game and ran it in for the score.

On Thursday, the Horney-Toads beat the Jokers 13-0 for their opener. Robin Blake threw a TD pass to Fred Ferrando and also ran for the second TD.

The game of the day was between the Vikings and Bullfrogs. Dave Mindoza caught Ray Kauz in the end zone for the only score of the game, which gave the Vikings a 2-0 win.

Westlake Bowl

Scores were exceptionally high during the first week of 1966-67 winter league play as bowlers found it didn't take long to get back on the target.

George Ferrebele topped the Monday night bowlers with a big 615 series in the Golden Gate Handicap League. George rolled a 196 first game followed by a 230 and finished with 189.

Tuesday night's leader was Ray Torres in the County Club Handicap League with 181-235 and 202 for a fine 618 total.

Another bowler topping the 600 mark of Tuesday was Gus Leite in the Pfizer and Friends League. Gus had two-thirds of a stepladder as he rolled 188 and 189 in the first two games then jumped to 234 in his third game for a 611 series.

Chairman Bill Greer expressed his thanks to all who bowled during the first week of the eighth annual PAL tournament. Over 150 bowled on opening nigrt and during the past week many league and open play bowlers took part in the tournament as they "bowled to help build better boys." Current leaders in the tournament which runs until October 30 are Bruno Alp with 650 and Frankie Andriotti with 646.

The Tuesday morning French Bros. Invitational League started the winter season with Betty Altemarina taking both high game and high series honors with 186 and 508. Albert Sigeel drew a round of applause as she converted the 5-10 split.

Ron Conciatere led the Westmoor Handicap League with a big 236 game and a 593 series.

Deane Henley took bowler of the night honors Wednesday as he shot 636 in the Bankers League for high series of the night. He started with a big 246 game, rolled a 221 second game and finished with 169.

Luvi Leon set a high game mark of 234 int he Northgate Mixed Fives as Gene Kaiser rolled a 631 series to lead the league. Gene had games of 204-179 and 248.

Barbara McRae was the leading lady in the Ladies 850 Classic League shooting a 223 game and 568 series. Each week, more and more spectators are on hand to watch the bowlers in this league which is hte highest average ladies league in the Bay Area.

Frankie Anderiotti led the Sunday evening Westlake Wedlocks League rolling a 198 game and 556 series on the second night of winter league competition.

Pauline Tanner was the big winner in the Monday 1:15 p.m. Blue Chip Bonanza taking home 1,810 stamps. Other big winners were Hazel Scogin with 1,500, Cindy Davidian with 1,080 and Carmen Lewelgau with 950. Rick Clatt was back in the pocket as he topped the Twilight Mixed Fives League with a 196 game and 549 series.

Th Tuesday morning St. Emydius Belles had two ladies sharing the honors —Bernice Austerman with 159—453 and Jean Wydler with 180—450. In the split conversion department, Helen Driscoll picked up the 5-10 and Shirley Brunner converted the 2-7.

The Sunday morning Family Fours has an opening for an adult-junior combination to round out the league. Jim Leatherberry has all the information.

Lou Marcelli showed the way in the Southwest Handicap with 205 and 583.

Bobbie Bertini was the leading lady in the Starliters League for the week as she posted a 213 game and 566 series.

Junior bowlers who missed the winter league registration are invited to report to the junior director at the instruction classes Tuesday and Saturdays at 3:15 p.m.

A 194 game and 557 series gave Nick Gregoire top honors in the Lucky Lager League.

or
TWO TICKETS TO THE BIG GAME
CALIFORNIA-STANFORD NOV. 19
For The Week's Best Entry

RULES AND REGULATIONS

1. Select the winner of each game by placing an "X" in the box on the margin side of the team you think will win. If you predict the game will end in a tie, place an "X" only in the column headed "Ties" between the two teams. If the game ends in a tie, credit will only be given to contestants who predict the tie.

2. Write the total net yards (rushing and passing) that you think the S.F. 49ers will make in Sunday's game in the box provided. (This estimate will only be used in case of ties between two contestants.)

3. Clip and mail the entry blank to:
FOOTBALL CONTEST
The Post
30 Park Plaza Dr.,
Daly City, Calif.

4. Entries must be postmarked prior to midnight Thursday of this week or delivered to The Times prior to midnight Thursday of this week. The Times is not responsible for entries lost, delayed or destroyed or which fail to reach The Times by 9:30 A.M. on Saturday.

5. To receive the cash prize the winner must pick all 15 games correctly. If the entry does not pick all games right, then the winner will receive 2 tickets to the Big Game, California vs. Stanford, on November 19. The previous week's contest cash prize will be added to the next week's contest if it is not distributed to a winner. This cash prize will be given to the winner of the final week's contest if it has not been distributed before. The final week's winner will not need to guess all 15 games to win the cash prize. In case ties cannot be broken between contestants by means of the tie-breaker, the prize will be divided qually. (This includes ties between contstants who pick 15 winners.)

6. A bonus of $50 will be given to each cash prize winner (not Big Game ticket winners) who is a home-delivered subscriber to The San Mateo Times or indicates immediate delivery of The Times is wanted. To qualify for this bonus, either of the boxes at the bottom of the entry blank must be checked. In the event two or more subscribers divide the contest cash prize, the bonus prize will be divided in the same manner.

7. Number of entries from one household is limited to fifteen (15) on official entry blanks but only one (1) exact sized facsimile of the official entry blank may be submitted. Submission of more than one facsimile in any one week will render all facsimiles submitted by that contestant void.

8. Entries may be attached to a postcard, mailed in an envelope or delivered by hand to the San Mateo or the Daly City offices of The Times.

9. Anyone may enter the contest except employes of The Times or immediate members of their family.

10. The decision of the judges is final and all contestants agree to abide by the judges' decisions. All entries become the property of The Times, no answers may be returned. The Times reserves the right to correct any typographical errors in the entry blank which affect the outcome of the contest. Answers to the contest or winners' names will NOT be given out over the phone. Winners will be notified by The Times.

Terra Nova Topics

By MARIA MONTENEGRO

The Terra Nova campus came back to life last September 12 with the trample of 1329 pairs of little feet. This included those of 373 bewildered freshmen who have since started learning the ways of the high school world.

Teachers have started handing out homework. Students have started complaining about both. Posters are hung up around campus advertising student body card sales and freshmen are just getting the hang of how to get a locker open. Yes, it's school again, and clubs hold their first meetings of the year as coaches hold sports practices and do their recruiting.

—0—

Also recruiting this year is TN's enthusiastic new bandleader, John Bentley. He came to the first football game of the season September 16 with the TN band in full force, full uniform, and full marching order. This, along with the high rooter turnout, might help explain the high school spiit this year if not TN's 19-2 victory over Crestmoor that night.

—0—

TN's dama department, born just last year with two drama classes under instructor David Campbell, has expanded. This year there are two beginning and one advanced drama classes.

The department started this year's "Tuesday Night Films," a series of movies, on September 20 with "Viva Zapata" and Chapter I of a continuing film, "The Lost City."

Plans are being hatched, said Campbell, for the school play, "The Crucible" by Arthur Miller, to be put on in December and a senior play at the end of the year.

—0—

Big things are also being planned in TN's journalism department.

The advanced journalism class, which makes up the "Tiger Tales" staff, will change the newspaper to a magazine format.

—0—

Five new courses offered at Terra Nova this year are Commercial Art, Economics, Psychology, Sociology, and a special materials course in biology.

St. John's Guild Plans Gathering

St. John's Ursuline Guild will hold its regular meeting October 12, at 8 p.m., in the school auditorium, 4056 Mission St.

The president, Mrs. James McCarthy, will preside.

Highlight of the evening will be the formation of a living rosary by the mothers of the guild.

Every Tuesday at 11 a.m. in the school auditoium, the Guild sponsors a series of luncheons and games for $1.50 to raise funds to purchase educational aids for the students.

STEWED TOMATOES

Ever use stewed tomatoes instead of regular canned tomatoes when preparing Swiss Steak? Extra flavor!

Creative Arts Classes Offered

Creative arts for adults and sports are featured in the fall program of classes at the Brotherhood Way Jewish Community Center Jr. Daytime and evening instruction in painting, folk guitar, slymnastics, volley ball, badminton, and golf for both men and women are offered.

Expert leadership and new equipment are combined in the high quality program.

Louanne's DATEBOOK

By Louanne Heath

THERE IS A BUSY, BUSY MONTH ahead for many a North Peninsula lady if the flood of reports on club activity reaching this desk is any indication!

Most of the groups affiliated with schools and churches are going full tilt and the slower starters are beginning to make a rush toward a full fall calendar.

Next Tuesday evening the Northern Peninsula Alumnae of the College of the Holy Names will hold its meeting in the home of **Mrs. Aileen Monello** in San Mateo and members will have a chance to view the new film, College Life at Holy Names.

Also planned for that evening isa discussion of group plans to arrange transportation for high school juniors and seniors who are interested in attending the college's annual College Day observance.

According to **Mrs. Robin Renner,** publicity chairman for the chapter, the College has selected Thursday, November 11, for the College Day and girls from all over the area are invited to the Oakland campus to meet the faculty and students, attend classes and have luncheon. The activities are being planned to fill an entire day and girls going will stay at the college from 9:30 a.m. until 4 p.m., Mrs. Renner reports.

Any girls interested in attending may arrange for transportation or obtain more information by writing **Mrs. Thomas Sammon,** 323 King Drive, South San Francisco, or by phoning 761-2033.

☆ ☆ ☆

THE IGNATION GUILD of St. Ignatius High School will hold its first monthly meeting next Wednesday at 8 p.m. in the St. Ignatius High School gym, according to the publicity chairman, **Mrs. Harold V. Greer.**

Mrs. Thomas Coldarola will preside during the business portion of the evening and **Father President Harry B. Carlin, S.J.,** will be the guest speaker. A portion of the evening will be set aside for the introduction of faculty members by **Father Edward McFadden, S.J.,** principal of the school.

Mrs. Greer indicates that plans for the first major fund raising event of the fall, Celebrity Auction at Ignation Gazebo, will be discussed.

Refreshments and a social hour will follow the meeting.

☆ ☆ ☆

MEMBERS OF NU SIGMA CHAPTER of Beta Sigma Phi held Beginning Day activities in the home of **Mrs. Richard Sanders** last week.

Mrs. Ramiro Cruz and **Mrs. Michael Sugrue** were the co-hostesses during the evening which provided the setting for the introduction of the new class of rushees.

A lecture and demonstration, Your Day Socially, was presented by members **Mrs. Herbert Decker, Mrs. Paul Smircich** and **Mrs. Robert Samuelson.**

☆ ☆ ☆

BIG DOINGS are being planned for the Ocean View Park, located at Montana and Capitol avenues, according to **Mrs. Louise Gibson,** entertainment chairman for a neighborhood fund raising event with the descriptive name of Funday.

The day will begin at 11 a.m. with a swinging concert by the **Harry Gibson** 15-piece band and the remainder of the day will feature music, concessions and amateur contests.

According to Mrs. Gibson, persons interested in attending should take the 14 bus to Sickles and transfer to the 36 line.

☆ ☆ ☆

THE LADIES of the Florence Crittenton Home, North Peninsula Circle, will enjoy a special Appreciation Luncheon hosted by the members of the circle's executive board this noon in the home of circle President **Mrs. Thomas Bocci, Jr.**

The annual event is staged as the officers way to say "thank you" to the loyal members of the unit who have helped make their term in office successful.

A sure topic of conversation at today's festivities will be the upcoming Fashion Show to be held on November 17 in the Thunderbolt Hotel in Millbrae.

Mrs. Edward Plant, unit publicity chairman, has announced that **Mrs. Robert Mahoney** and **Mrs. Robert O'Neil** and **Mrs. Charles Poggio,** decorations; **Mrs. James Parker** and **Mrs. John Vollers,** reservations; **Mrs. Harry ONeil,** models; **Mrs. Frank Greenwood** and **Mrs. R. L. Ariani,** door prizes; **Mrs. Bocci** and **Mrs. Vincent Murphy,** hospitality; **Mrs. Richard Cecconi** and **Mrs. William Jabin,** investments; **Mrs. Plant** and **Mrs. Murray Freedman,** publicity; **Mrs. Evert Terminello, programs; Mrs. Edward Odenthal, Mrs. Richard Czeikowitz** and **Mrs. Bruce Fraser,** correspondence. **Mrs. Richard Coltrell** will be in charge of favors.

Reservations are already available to those wishing them. For more information, call **Mrs. Vollers,** 756-1841.

☆ ☆ ☆

OCTOBER 19 has been selected by the Ladies of the Church of the Good Shepard Alter and Rosary Sodality for their pot luck and business meeting, according to President **Mrs. Clifford Taylor.**

Mrs. Frances Genest, (she was the winner of the September membership drive contest) and **Mrs. Peggy McDevitt** are the co-chairmen for the dinner which will be held in the parish hall. Ladies wishing to attend, should call Mrs. Genest, 359-1529, to make reservations.

Another item keeping the ladies of the sodality active is the scheduled Hallowe'en Dance to be held on October 29. The group will present the event as a joint project with the Men's Club. Chairmanning the ladies' committee will be **Mrs. Donna Cook** and **Mrs. Kay Portillo.**

☆ ☆ ☆

MEMBERS of the Pacifica Federated Women's Club are reporting that their membership tea, held on one of those threatening days we've been having of late, was a complete success despite the possibility of rain and a little unplanned and totally unexpected fun and excitement. Forty-five guests attended the event and many of the new faces were observed again at the regular monthly meeting held the following Tuesday. An encouraging indication that the prospective members were favorably impressed with the groups' programs and its goals!

Fifteen members of the branch are preparing to work during the Pacifica Town Hall Meeting, a Juvenile Clinic, on October 6, according to **Mrs. Alberta Sullivan,** who is publicity girl for the federation.

Adults and juveniles will take part in the program of workshops which will consider such problems as Am I Delinquent in My Responsibility? What Are the Causes of Delinquency? What Is the Solution to Delinquency? and What Can I Do About It?

Psychiatrist To Speak On Family Life

"What should we teach our children about family life?" will be the subject of an evening with Rabbi Rosen, a psychiatrist, and the Religious School faculty to be held for all parents on October 4, 8 p.m. in the Sanctuary of the temple.

This year the Religious School will be introducing an orientation in all phases of family living according to Dr. Isadore Kamin, chairman of the committee, which has arranged this special evening to help parents understand what is planned and how they can help as well as to offer parents an opportunity to make suggestions. During the evening's program parents will have an opportunity to talk with their children's teachers.

The family life course will be taught to the confirmation class by Dr. David J. Schwartz, a child psychiatrist, who will also serve as consultant to the courses to be taught by Rabbi Rosen on other grade levels. Dr. Schwartz is on the staff of the Child Guidance Clinic and is acting chief of the Mental Health Unit of the County's Juvenile Probation Department at Hillcrest.

ROAST DUCK

The wings of a roast duck do not make an adequate serving portion. If you don't serve them, let them enrich a poultry or meat stock.

Summerish Atmosphere

A summer atmosphere still reigned at the beginning of the new P-TA year at Parkside School. A welcome teachers luncheon was held at the Hap Beckner Shelter in San Bruno City Park.

Co-chairmen were Mrs. Marilyn Rosekind and Mrs. Joseph Geyer.

Principal Ray Augustis, introduced new teachers and welcomed back his "veterans." Mrs. Harold Preston, president, introduced her executive board and announced the first meeting in October will feature "back to school" for parents and teachers alike.

THE JIM CLINES (Diane Linthicum)

San Mateo New Home For Just-Wed Pair

San Mateo is the first home for Jim Cline and his bride, the former Diane Linthicum, who were married at the First Baptist Church of Mill Valley recently.

Diane is the daughter of Mr. and Mrs. William G. Linthicum of San Rafael. Jim is the son of Mr. and Mrs. H. L. Cline of Pacifica.

The bride was attired in a Chantilly lace gown fashioned with a chapel train and silk illusion veil. She carried orchids and roses.

Carol Pozo was the honor attendant and the bridesmaids were Joan Crook, Carolyn Tafuri and Cynthia Cline. They wore turquoise floor-length sheaths.

Jerry Kock fulfilled the best man duties as Don Pozo, Ron Crook, John Tafuri and David Cline ushered. David Crook was the ring bearer.

After a reception in the Lin Fa Restaurant in Terra Linda, the newlyweds departed for a honeymoon at Lake Tahoe. Diane is a graduate of Mills High School and Jim attended Pescadero Union High School and served in the Air Force.

Summer in Mobile is a time when the fishing is easy. Fish jump out of Mobile Bay—by the thousands.

FAMILY LIFE OF NORTH COUNTY

S.S.F. Picnic

The annual St. Veronica's South San Francisco parish picnic was held at Blackberry Farm, near Cupertino. The event was sponsored by the Men's Club, with Bob Guenley, general chairman, and Father Paul P. Coleman, honorary chairman.

Breakfast Treat Will Spur Interest

If getting the children to eat an adequate breakfast is a problem, capture their interest with some little extra, nutritionists tell us. It may be something so simple as putting bananas and blueberries atop their shredded wheat cereal or spooning a gob of strawberry jam on a bowl of hot cereal. Most persons respond to special treats and children are no exception.

For gala occasions, bake Marmalade Cereal Slices. These are pieces of crusty Italian bread on which a tangy, crisp marmalade cereal mixture is spread. Five minutes of baking heats and bubbles the topping into a confection.

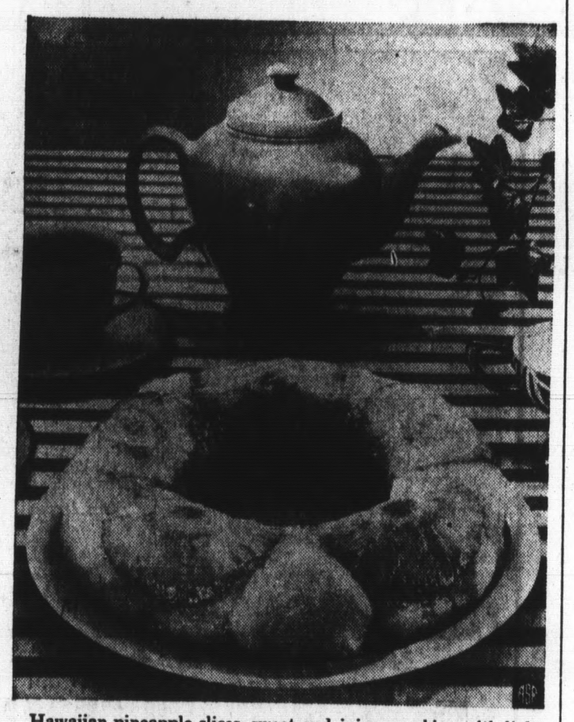
Be wise and start now during September Better Breakfast Month to instill the habit in your children of beginning each day with an adequate morning meal based on a basic pattern of fruit, cereal, milk bread and butter. It gives you quick and lasting energy in the late morning. Scientific research found, too, that you are quicker in your mental and physical actions with this morning meal.

Marmalade Cereal Slices

⅓ cup soft butter or margarine
⅔ cup orange marmalade
2 cups corn or whole wheat flakes, crushed to make 1 cup
8 slices Italian or Vienna bread, ¾ inch thick

Combine 3 tablespoons butter or margarine and marmalade. Stir in cereal. Spread one side of bread slices with remaining butter or margarine. Arrange buttered side down on baking sheet. Spread marmalade-cereal mixture evenly over tops. Bake in hot oven (400° F.) until hot and bubbly, about 5 minutes. Yield: 8 slices.

Pineapple Quick Bread's Delicious



Hawaiian pineapple slices, sweet and juicy, combine with light refrigerator rolls to make this thirty minute baked delight. Served piping hot, it is excellent for breakfast or lunch. Serve it with ice cream to make a cobbler like dessert; or after an evening of card-playing or television viewing it is delicious with coffee or tea.

Pineapple Petal Ring

5 Hawaiian Pineapple Slices
10 biscuits (1 package refrigerator biscuits or your favorite recipe)
2 tablespoons vegetable oil
¼ cup sugar, mixed with
½ teaspoon cinnamon

Grease ring mold; gently bend pineapple slices to fit into bottom, spacing evenly. Then dip and turn each biscuit—first in oil, then in cinnamon-sugar mixture. Now stand one biscuit on edge in each of the 5 pineapple slices. Lay remaining five biscuits flat in the spaces between. Bake 15 minutes at 425°; invert on serving dish. Let ring mold set 5 minutes before lifting off. Makes 5 generous servings.

Some Like It Hot—Some Like t Cold—If your family has divided opinions about the temperature of their soup, make a convertible soup mate such as Green Pea Consomme. Combine 1 can each condensed consomme and green pea soup with 1½ soup cans cold water. Stir or shake smooth. Chill for at least 4 hours. You'll have 4 to 5 servings. It takes just a few minutes to heat the portions for those who want theirs hot.

Whipped Cream Cake for a Party

Why is the dessert-coffee party such a popular way to entertain? Perhaps because it satisfies two universal desires—one for a luscious dessert, the other for a steaming cup of coffee. And, this rich Chocolate Whipped Cream Cake has that wide appeal only good coffee can match.

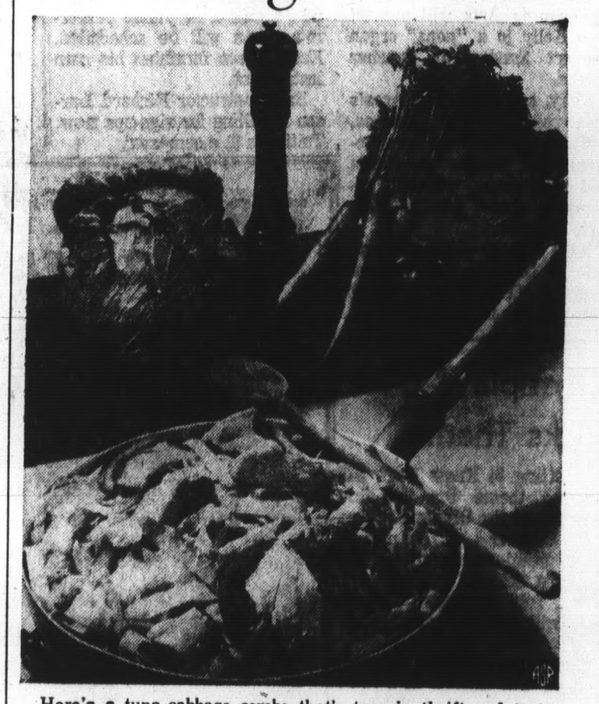
Since coffee *is* the co-star of your party, **make sure it shines.** For best brewing results, use one Approved Coffee Measure (two level measuring tablespoons of coffee) to each 6 ounces of water per serving.

Chocolate Whipped Cream Cake

2 eggs, separated
1½ cups sugar, divided
1¾ cups sifted cake flour
¾ teaspoon baking soda
¾ teaspoon salt
½ cup salad oil
1 cup buttermilk
2 squares (2 oz.) unsweetened chocolate, melted
1 teaspoon vanilla
1½ cups whipping cream

Heat oven to 350° (moderate). Grease and flour 2 eight-inch layer cake pans at least 1½ inches deep. Beat egg whites until frothy. Gradually beat in ½ cup of the sugar. Continue beating until very stiff and glossy. Sift remaining 1 cup sugar, flour, baking soda and salt into another bowl. Add oil and ½ cup buttermilk. Beat 1 minute. Add remaining ½ cup buttermilk, egg yolks, melted chocolate and vanilla. Beat 1 minute more. Fold meringue thoroughly into batter, cutting down gently through batter, across bottom, up and over, turning bowl often. Pour into prepared pans. Bake 30 to 35 minutes. Cool on cake racks. Split each layer into 2 layers. Whip cream; flavor and sweeten to taste. (If desired, make *Coffee Whipped Cream*. Combine about ⅓ cup sugar and 3 tablespoons instant coffee with cream. Chill and whip.) Spread between layers and on top of cake.

Take Advantage Of Savings in Tuna



Here's a tuna-cabbage combo that's tops in thrift and taste. When it comes to feeding a family, canned tuna provides exactly what every homemaker wants—body-building protein comparable to that of lean meat, and economy. You can depend on tuna to hold the line in today's market of rising prices. Hot Tuna Skillet Casserole is a hearty main dish that the whole family will enjoy and it takes only minutes to prepare.

Hot Tuna Skillet Casserole

2 cans (6½ or 7 oz. each) tuna in vegetable oil
6 cups shredded cabbage
4 carrots, grated
½ cup chopped green pepper
1 tablespoon celery seed
3 tablespoons vinegar
1 cup mayonnaise

Drain vegetable oil into large skillet and heat. Sauté cabbage, carrots and green pepper for about 5 minutes; stirring occasionally. Sprinkle celery seed and vinegar over cabbage, toss in tuna. Cover skillet and continue cooking for about 5 minutes longer. Remove from heat. Fold in mayonnaise thoroughly and serve immediately. Serve with boiled or mashed potatoes. YIELD: 4 servings.

Cool Off With Frisky Sour — Looking for a cool and different drink? Frisky Sour is a summertime pleaser. In shaker or jar, combine 2 cans condensed beef broth, ½ soup can water, 8 ice cubes and ¼ to 1-3 cup lemon juice. Cover tightly and shake well. Serve in chilled glasses. 4 to 6 servings.

Soup's On — In a Hurry — Soup's a good idea for a quick luncheon-stretcher when your young man unexpectedly invites his buddy to eat at your house. It takes only a few quick minutes to heat canned condensed soup—just enough time to fix the sandwiches.

Boys Club at South S.F. Making Plans for Event

The South San Francisco Boys Club is making final preparations for it's annual three day festival on September 30, October 1 and 2. Hours for the festival will be 6 to 11 p.m., September 30; noon to 11 p.m. October 1, and noon to 8 p.m., October 2.

Highlighting the three day carnival with it's western theme, will be a maze and barrel-roll for the youngsters, a movie room where parents may leave their young children, adult game room, a large refreshment area and many other varied game booths for young and old.

Harold Oakes is serving as chairman, and Len Stevenson is co-chairman. Advisors are Fred Humphrey and Tom Sauer, executive director of the Boys' Cub. Frank Mannini is booth director, assisted by Ed Morgan.

The Jefferson Scene

By Lauri Sarubbi

AN intern teacher is in a sense the same as a student teacher. The only differences are that an intern has full charge of a class, and they are still attending college.

Where a student teacher is under constant supervision by an advisor, an intern teacher usually teaches two classes a day.

An intern advisor may only check up on him periodically. Intern teachers are also photographed by closed circuit video tape. This is to point out to the interns the good and bad points they may have while teaching. This helps the interns to learn about their mistakes and correct them immediately. This is a great help to the interns.

JEFFERSON High School now has four intern teachers From Stanford University, Mr. Langstaff, Mr. Ruhe, Miss Pettit and Miss Mark.

Mr. Langstaff, who teaches U.S. history, describes himself as curous, somewhat skeptical.

His first impression of Jeff was: "The students are alive and vibrant and don't seem to be repressed with the prospect of school."

Mr. Ruhe decided to become a teacher because he got tired of social work, but he still enjoyed working with groups of people. He describes himself as liberal and religiously oriented. His first impression of Jefferson—"The oneness of mankind, a good school, typically American and rather obsolete. "Mr. Ruhe teaches United States History and American Problems.

MISS PETTIT, whose first though of Jefferson was "beautiful school," teaches U.S. history and geography. In a word, she describes herself as "tired."

Miss Pettit decided to become a teacher because she loves books and vacations.

Miss Mark, who teaches geography, says she was surprised because the last time she saw Jefferson was eight years ago, and the new buildings surprised her. For Miss Mark the most enjoyable thing about teaching is getting to know and work with the different people at Jefferson.

AN adult band has been started at Jefferson High, meeting Tuesday nights from 7 to 10 in room 401.

The emphasis is on personal pleasure, no public performances will be scheduled. Each person furnishes his own instrument.

Band instructor Richard Larsen is calling for sign-ups now. Tuition is $1 a semester.

Sorority Plans Meet, Brunch

The Northern California Council of Beta Sigma Phi will hold its bi-monthly brunch at Harrah's South Shore Room at Stateline on October 2.

Members from South San Francisco's Xi Lambda Sigma Exemplar chapter who will attend include Mesdames David Dickson, Richard Rowland, Gino Pettinari, C. M. Sheridan and Lillian Shilling.

The next regular meeting will be at 8 p.m., October 3, at the home of Mrs. Norman Jackson, 531 Beech Street, San Bruno.

Organ Artist At Pacifica On Sunday

The Pacifica Association of Performing Arts will present Don Kelly in a "pops" organ concert Sunday at Sanchez Adobe.

Kelly, one of the Bay Area's most popular organ virtuosos, will feature his own arrangements of popular standards and show tunes, and will accompany guest soloists Miss Lyle Nielson.

Miss Nielson plays the lead role of Luisa in the musical comedy "The Fantasticks," now playing in San Francisco.

Olympia P-TA Picks Theme

"Getting to Know You" will be the theme for the first meeting of the Olympia-Rivera P-TA October 4, at 7:30 p.m. in the multi-use room at the Olympia School.

Mr. Iola McKeown, principal, will introduce the teachers.

The president, Mrs. Herbert Luders, will preside at a brief meeting.

Hospitality chairmen, Mrs. Joseph Cecena and Mrs. Garry Mielsen will serve cookies and coffee after which parents will be told about the programs for the coming year.

Candlemaking Classes Held At Daly City

With the holidays just around the corner, the Daly City Department of Recreation will sponsor classes in candlemaking and holiday crafts. There is no charge for these classes, however, each member must supply his own materials.

Participants will learn to mold and decorate many types of honeycomb and glo candles. Also on the agenda will be inexpensive decorations for the coming holidays such as Santas, snowmen, reindeer, wreaths, trees, etc. and for each holiday throughout the year.

Clases meet from 7:30 to 10 p.m. on Mondays at Lincoln Park clubhouse, 901 Brunswick Street, and Tuesdays at Westlake Park Clubhouse, 149 Lake Merced Boulevard, beginning October 3 and 4.

Sugar... 'n' Spice

By NELL NORTON

The newspapers, radio and television inform us that the price of living is rising. Government experts made a check and announced that food is more expensive than it was last month. That's news?

Just ask any homemaker and she can tell you the same thing. And she doesn't need a computer to figure it out. A trip to the local grocery, the total of the bill, and the amount of foods purchased inform her that prices are indeed on an upward trend.

There are many ways to beat the rising food prices, stop eating, for example. Make your own money. Or find some dishes that use inexpensive ingredients. Can you guess which of these methods I recommend? I'm sure you guessed counterfeiting, but you are wrong! Instead, I'd like to offer this delicious and inexpensive casserole.

RIPE-OLIVE COWBOY CASSEROLE

1 cup ripe olives
1½ lbs. ground beef
¼ cup cooking oil
2 stalks celery
½ large green pepper
¾ cup chopped onion
1 cup uncooked rice
2 teas. salt
1 (1 lb. 12-oz.) can tomatoes
2 teas. chili powder
½ teas. pepper
1 teas. Worcestershire sauce
Sliced Monterey Jack or Cheddar cheese

Cut olives into large pieces. (I used pitted olives, which makes cutting much more easy.) Brown beef in 2 tablespoons of oil in skillet. Turn into 2-quart casserole. Slice celery and green pepper into thin strips. Cook in remaining 2 tablespoons of oil along with onion and rice until rice is browned. Add undrained tomatoes, salt, chili powder, pepper, Worcestershire sauce and half of the olives; heat to boiling. Pour over meat; cover.

(NOTE: I used ¼-cup of water to rinse out tomato can and added the seasonings to this water and mixed them before I added them to the vegetables and rice.)

Bake in moderately slow oven (325-degrees) for one hour. Remove cover; sprinkle with remaining olives. Arrange cheese in spokes over top; broil 5 minutes.

Serves 6 to 8.

This casserole is quite good. The celery and green pepper add a nice texture and flavor to the dish. You may want to adjust the seasonings, for example, if your family doesn't like spicy dishes you could decrease the amount of chili powder and Worcestershire sauce. However, we found it just right as listed in the recipe.

☆ ☆ ☆

THE COWBOY casserole sounds very western doesn't it? In order to give you good cooks variety in your menu we will now swing completely east and go to Toronto, Canada, for this next recipe:

QUEEN ELIZABETH'S CAKE

1 cup boiling water
1 cup chopped dates
1 teaspoon soda

Pour boiling water over dates, add the soda and allow to stand while you prepare the rest of the cake.

1 cup sugar
½ cup butter
1 beaten egg
1 teas. vanilla
1½ cups sifted flour (all-purpose)
1 teas. baking powder
½ teas. salt
½ cup nuts

Crem butter and sugar together. Add the beaten egg and vanilla and blend well. Sift flour, baking powder, and salt together and blend into the creamed mixture. Add nuts. Lastly beat in the cooled dates and water.

Pour into well greased and lightly floured pan, 9x12-inches and bake in moderate oven (350-degrees) about 35 minutes or until the center of cake springs back when lightly pressed with finger.

Cool cake and frost with the following icing. This makes a small amount of icing, but the cake is so rich it doesn't need much icing. In fact, you could just sift confectioners sugar on the top if you like.

ICING

5 tbsp. brown sugar
2 tbsp. cream
3 tbsp. butter.

Combine sugar, cream and butter in a small saucepan. Bring to a boil and boil just 3 minutes. Remove from fire and beat until it thickens a bit, then spread it warm over the cake.

Presbyterian Women's Bazaar Guild Luncheon

The Presbyterian Women's Association of Trinity Presbyterian Church, Twenty-third and Capp Streets, will hold its annual fall bazaar October 14, 7 to 9 p.m. and October 15, 10 to 6 p.m.

Many handmade items will be for sale—children's clothes, fun toys, hand embroidered pillow cases, attractively dressed dolls, doll clothes, hand-knit sweaters and bedroom slippers, gay aprons, smart pot holders, soft pastel baby quilts and novelties besides homemade jellies, jams, preserves, breads, cakes, and candies.

This event should be a bonanza for early Christmas shoppers. Refreshments will be served.

Rummage Sale At Pacifica

The First United Presbyterian Church's Vallemar Circle of Pacifica will sponsor a rummage sale, October 7 and 8 in the old Mr. Music Store at Eureka Square.

The October 7 sale will open at 10 a.m., close at 5 p.m. The schuedule will be 10 a.m. to 3 p.m. the following day.

CHADWICK READE, MARGUERITE MENGE

Engagement Told

Mr. and Mrs. Walter S. Menge, Betty and Walter Menge announced the engagement of their daughter, Marguerite to Chadwick Hugh Reade at a recent cocktail party in their Burlingame home.

The future bridegroom is the son of Mr. and Mrs. Chad Reade of Daly City. He is the brother of Flip and Debbie Reade.

Marguerite, who attended Mills High School and the College of San Mateo, is the sister of Mrs. W. C. Spivey, R. R. Menge, Betty and Walter Menge. She is the granddaughter of Mr. and Mrs. Walter Menger of Doleville, N.Y.

Chadwick attended Westmoore High School, San Francisco State College and the College of San Mateo. He is the grandson of Mrs. Airetta McLeod and Mrs. Margaret Reade.

Tentative wedding plans have been set for June of 1967.

Flournoys Are Guests Of Honor

Assemblyman and Mrs. Houston L. Flournoy were honored Tuesday at a reception in the Hillsborough home of Forden Athearn, 320 Pinehill Road.

Flournoy, the Republican nominee for State Controller, currently is the Assemblyman for the Claremont area.

When first elected to the seat in 1960, he was California's youngest assemblyman. He is a professor of government at Pomona College and Claremont Graduate School.

Among the guests at the reception were mayors, city councilmen, chiefs of police, labor leaders, county officials, as well as Republican, Democrat and Independent leaders in the county.

Cohosting the event with Athearn, were Supervisor and Mrs. T. Louis Chess, Senator and Mrs. Richard J. Dolwig, Mr. and Mrs. James W. Halley, Mr. and Mrs. Edward R. Martin, Mr. and Mrs. Bruce T. Mitchell, and Mr. and Mrs. Caspar W. Weinberger.

Club Joining Fund Drive

The North San Mateo County YWCA-Wives will join with other organizations next month in a door-to-door fund drive for United Crusade. Homemakers in the Westlake area will have the benefit of an introduction to the Y-Wives, as well as an opportunity to show support for a worthy cause.

Y-Wives representatives will give out brochures telling how each Thursday, housewives in Daly City and its environs, gather at the Westlake Community Baptist Church, Southgate and Elmwood, for informal lectures, tours to nearby points of interest, and relaxed luncheons, while their children are in the low cost nursery upstairs.

Make at least one of your workweek mornings lighthearted by joining the Y-Wives at an informal potluck luncheon Thursday at 10 a.m. You just may win one of the three door prizes!

49er-Detroit Day Is Planned

A '49er-Detroit Lions Day, October 23.

The $7.50 price per ticket guarantees bus transportation to and from the game, reserved seats and an after-the-game buffet at Our Lady of Mercy Parish Hall.

Tickets will be available beginning October 2 at the parish picnic at Linda Vista Park, Mission San Jose.

Those interested may call Mrs. Richard Locke, PL 6-6067 or Frank Lawson, PL 5-2116.

Lesser Honored By Georgetown

Alvin M. Lesser, Daly City businessman, has received the John Carroll Award by the Georgetown University (Washington, D.C.) Alumni Association.

The award is presented annually to alumni of Georgetown who have distinguished themselves in their professions or in service to their community, the nation and the University.

Lesser and four other recipients were honored at a John Carroll Awards dinner at San Francicso's Sheraton-Palace Hotel, where 300 alumni, former students and friends of Georgetown, attended the even, a highlight of a meeting of the Georgetown Alumni Association's Board of Governors.

Lesser, who entered business in San Francisco in 1953 and lives at 1919 Funston Avenue, San Francisco, is part owner of Richter's Interiors, Inc., Daly City.

A 1941 graduate of Georgetown, he served in both World War II and the Korean War. He attended New York University Law School following World War II and was elected justice of the peace for Bergen County, New Jersey in 1947. He served in that post until he was recalled to active duty in 1951. Lesser is past president of the Georgetown University Alumni Club of Northern California and served on the group's Board of Governors from 1958-61.

The John Carroll Awards were named for Archbishop Carroll, the first American bishop and founder, in 1789, of Georgetown University. Established in 1952, the awards previously have been given to, among others, President Lyndon B. Johnson, who attended Georgetown's Law School in 1938; U.S. Senators Phillip A. Hard (D-Michigan, College, 1934), and J. Caleb Boggs (R-Delaware, Law, 1937), and former Ohio Governor Michael V. DiSalle (Law, 1931).

State College Promotion For Dr. Metta Zahorsky

A San Bruno resident, Dr. Metta Zahorsky, professor of education at San Francisco State College, has been appointed associate dean of the college's school of education.

Dr. Zahorsky, a member of the San Francisco State faculty since 1956, was previously co-ordinator of the School of Education's graduate program.

Last year the college awarded 367 master of education degrees, leading all colleges and universities in California. The college is also fifteenth in the nation for supplying new teachers.

Graduate of the University of Illinois, having received a bachelor's and master's of science in home economics and a master's and doctorate in education. Dr. Zahorsky has taught in high schools throughout Illinois, and at the University of Illinois, Colorado State University and Union High School in Oxnard, Calif.

Locally, Dr. Zahorsky is active in the P-TA, Community Methodist Church, and the San Bruno branch of the American Association of University Women.

She and her husband, Arnold, and their two children, Philip, 15, and Rena Jean, 12, live at 2211 Valleywood Drive.

The school of which Dr. Zahorsky is associate dean is one of eight schools which comprise San Francisco State. It includes departments for studies in elementary, secondary, and higher education, and counseling, educational administration, technological education, home economics, nursing and special education.

Plans Unit Seems To Favor Mall

Frank Tippet, San Bruno Planning Commission delegate to last week's meeting on the city's proposed shopping mall, reported reaction to the plan was "generally favorable" at Monday night's meeting of the commission.

Tippet said the 25 downtown merchants at the meeting were almost unanimous in approving the plan, and recommended that the zoning board co-operate in implementing it.

Dick King, manager of the city's chamber of commerce and leading advocate of the $1.5 million shopping mall project, also reported to the commission.

King said the only opposition to the plan he has detected is due to the fact that a number of the downtown area older residents will be displaced.

"I would like to assure the commission," King said, "that we who are promoting this project are aware of our humanitarian responsibilities, and will give ample attention to this problem."

King said he plans to look into the possibility of securing federal help for ahousing facility to accomodate elderly residents effected by the project.

Pacifica Firemen 'Trained Cliff-Hangers and Half Mountain Goat'—Cliff Rescues Big Part of Job

By DON GRIERSON

There is more to being a Pacifica fireman than just playing a good game of dominoes.

Each man in the department must be a "trained cliff-hanger and about half mountain goat" in addition to mastering the usual skills of the profession, according to Capt. Ken Donohue, a veteran of over a hundred cliff rescues.

New men joining the department are trained in each of the five specific operations involved in cliff rescue, primarily on minor cliffs around Pacifica.

Then, after they "get into the swing of it" on these minor league operations, Chief Ed Greer introduces them to the more formidable task toward which their training has been leading: the ogre, Devil's Slide.

Too Much Traffic

"Regular training sessions are not held in the Devil's Slide because of heavy traffic," Donohue said, "but the chief makes certain each new man gets to see it before his training period ends."

This is because every man in the department is almost certainly going to be called out in the middle of some rainy night to scale down the sheer face of the Slide, which ranges from 100 to 600 feet in height.

During 1965, the department responded to 37 rescue calls, five of which were in the Devil's Slide area. Within the past month, five automobiles have run off the Cabrillo Highway and crashed to the rocks below. Two of the drivers were killed.

One, a middle-aged woman, miraculously survived, thanks to the Pacifica firemen who scaled the treacherous 350-foot cliff and rushed her to a hospital.

Each of three shift captains, Donohue, James (Babe) Evans and Cal Hinton, has scaled the Slide at night during the past three or four weeks.

When a cliff rescue call is received, every man in the department is summoned to duty, and the special rescue truck, custom designed by Pacifica firemen in 1954, is brought into action.

At the scene, one man, usually the captain of the shift, is placed into the rescue basket and lowered down the cliff. Others must operate the power winch, guide the cable, man the walkie-talkie communications set, and if it is a night operation, handle flood lights.

'Shock Kit'

The truck is equipped with several hundred feet of one-quarter-inch cable, power winch, "shock kit," first aid kit, resuscitator, a "line gun" for shooting ropes out to stranded persons, life preservers, and a special V8 engine for added power.

Recalling the scores of Devil's Slide distress calls they have answered in the last few years, firemen said probably the most tragic accident in the area occurred in 1960 when a car carrying five Hayward teen-agers ran off the highway and dropped 400 feet.

Two of the teen-agers, who were looking for a graduation beach party, were killed, one washing out to sea. The others were seriously injured.

Automobile accidents are not the only concern of the rescue squad, however. In spite of official warnings and signs posted in the area, several teen-agers "manage to get themselves stranded on the cliffs each summer," Donohue said, and have to be rescued by firemen.

There has never been a serious injury to a fireman in the rescue operations, though several have been "banged up" on the cliffs.

A Plug For Electric Cars

The president of one of the big three American automobile companies has disclosed that his firm is working on an electric car.

Secrecy shrouds the details, but Arjay Miller of Ford Motor Company lifted the lid just a crack when he told a lecture audience in Ann Arbor, Mich., "The ideal answer (to air pollution from exhaust fumes) would be the development of a vehicle power source that would not produce emissions. The most promising candidate at present appears to be a battery-powered electric car."

All he would add to that was that the new concept under development would "offer tremendous improvement in range, performance and cost."

All three of these factors need improvement before the electric car or electric delivery truck can drive its gasoline-powered counterpart off the streets of the big cities where fumes are a problem. As for range, the current models (no pun intended) of electric trucks can go 100 miles, after which they need eight to 12 hours for recharging.

As for performance, top speed is 50 mph or less. Since most cities have freeways, higher speeds are needed for safe driving even in metropolitan areas, and those speeds should make it possible to cover more than 100 miles in a day of constant city driving.

As for cost, the few prototype electric passenger cars offered for sale in the last few years were in the $2,500 to $4,000 range, which few commuters will pay for an unsporty, workaday runabout.

Headlights might create a problem. They would be needed at the end of the day, just when the batteries are nearly ready for a recharge. The heater, which nearly everybody wants in a car, would be another stumbling block because of the power required to warm the air.

If all the difficulties can be solved, it will be interesting to see electrics competing with conventional motor vehicles. Particularly, many motorists would like to see the car in front of them in traffic jams an electric. One might say they'd breathe easier.

Looking at The Opera Seasons

Samuel Chandler

There is a story going around that a reporter asked a woman who had paid at least five dollars for standing room at the grand opening of the 1966 opera season, if the presence of Lady Bird Johnson had anything to do with her attendance. "I came to see Joan Sutherland," the indignant woman replied.

So did many others. Joan Sutherland is an international star. From the Metropolitan in New York to La Scala in Italy, her lovely voice has thrilled thousands. Recently a biography of her became a best seller.

The presence of a beautiful soprano, the socialites in fancy dress, the charming first lady as a guest, indeed all the color of an opening night is traditional with San Francisco opera seasons. As long ago as 1851 when the Pellgrini Opera Troupe presented "La Sonnambula" at the Adelphi Theater, the opera crowd turned out in the best clothes that could be obtained.

☆ ☆ ☆

ONE observer states that many people came because it was something people did who had wealth to spare, but they went away intrigued by what they heard and saw.

Within a decade theaters were built to rival the finest opera houses of the East. In 1852 one of them presented the first real prima donna in the city's history, Mme. Eliza Bescaccianti; her manager was P. T. Barnum.

In 1854 an Italian opera troupe filled the San Francisco air with melodies from Verdi and Bellini. There was something about them, writes Ronald L. Davis that seemed "consistent with the rather bizarre, melodramatic life of the West." Since that year nearly every season has included at least one Italian opera. The current season will offer Verdi's "Don Carlo" and "Falstaff"; Puccini's "Madame Butterfly," and, of course, Bellini's "I Puritani," which was the fare for last Tuesday's opening night.

In 1873 first nighters visited the Grand. Opera House, third largest opera house in America. Six years later the famous Tivoli opened its doors to a resplendent crowd.

On the evening before the earthquake of 1906 the famous Enrico Caruso sang "Don Jose" at the Tivoli, while Olive Fremstad sang "Carmen" at the Grand Opera House. Miss Fremstad is reported to have sensed a strange premonition of tragedy as she portrayed Carmen's horrible death (Carmen is scheduled for the 1966 season). Both opera houses were destroyed in the quake.

☆ ☆ ☆

AFTER hearing the first loud crash of the earthquake Mr. Caruso dashed across the room and peered out of the window. There he stood in sort of a trance with the whole score of Carmen running through his mind. Meanwhile Miss Fremstad fled from her hotel pressing to her breast the long stemmed flowers she had received the night before.

One of the most memorable opening nights was October 15, 1932 when San Francisco's opera-lovers swarmed into the War Memorial Opera House for the first time. The beauty and elegance which met their eyes is still as breathtaking today as it was then.

The Opera House has a stage measuring over 134 feet wide and 140 feet high. Its initial lighting system contained 88 lamps with a power of 88,000 kilowatts (I am told it is greater now). The total cost of the War Memorial, including the Opera House and the Veteran's Building was approximately $6,125,000.

The first work presented was Puccini's "Tosca," with the first act being broadcast to Italy by trans-continental hookup. Puccini's music will be heard in the 1966 season with the presentation of "Madame Butterfly."

Besides the operas I have mentioned the 1966 season will include Mozart's "Marriage of Figaro"; Strauss' "Elektra"; Montemezzi's "Love of Three Kings"; Berlioz's "The Trojans"; Janacek's "The Makropulos Case"; Wagner's "Tannhaeuser"; and Moussorgsky's "Boris Godounoff"; and the operas that I have mentioned.

Advance Clowning

Barbara Bladen

Known simply as "Coco, the Clown"—just as his father and grandfather were before him—a charming gentleman with an outlandish red nose, bright green hair and the most disarming smile in the world is one of the most important members of Ringling Bros. and Barnum & Bailey Circus.

Coco's official title is that of "advance clown" for the "Greatest Show on Earth." He arrives in each of the 60 cities on the circus itinerary one week before the Big Show opens its engagement there. Making his debut as advance clown with this year's ninety-sixth edition of the Ringling three-ring spectacular, Coco will meet officials and townspeople, to let children of all ages know that the circus is on its way. Coco's talents are particularly well suited to this kind of work—he is an expert sleight-of-hand artist, stilt-walker and story-teller, speaking with a delightful, crisp British accent.

☆ ☆ ☆

COCO'S STORY BEGAN over 100 years ago when his grandfather originated the Coco character, makeup, and costume in Russia. Coco's father carried on the circus tradition as a trapese artist. When Coco entered the world, his mother and father were performing in Riga, Latvia. According to the popular legend, his mother was whisked off her flying trapeze, and rushed to the nearby hospital to deliver a son named Michael Polakovs—now called Coco, the Clown.

As Coco's father advanced in years, he came down off the trapeze to continue his circus career as a clown, called Coco, naturally. Now at the age of 66, the elder Coco still performs in Europe, and is the only clown in the world to be awarded the O.B.E. (Order of the British Empire), one of England's highest medals of honor.

☆ ☆ ☆

THE YOUNGER COCO, the youngest clown in circus history, made his circus debut at the age of four. When young Coco was almost five years old, his family fled Russia, and, for a time, appeared with a Lithuanian circus. Political oppression in that country forced them to flee to Germany, where Coco and his family lived for several years. When Hitler rose to power in Germany, the Polakovs decided it was time to move again, this time to Blackpool, Lancashire, England.

His world travels have made Coco a linguist, speaking fluent Russian, German, English, and Polish and a little Czechoslovakian. In past seasons his genial good nature and his knowledge of so many languages made him the most sought-after interpreter with the Ringling Bros. circus, which features more than 150 performers from all parts of Europe in a cast of 350.

Much as he will be missed by his performing friends from Poland, Germany, Russia, and Czechoslovakia who are touring with this year's Big Show, Coco will be making hundreds of new friends for the circus with his activities as advance clown, telling Americans from coast to coast about the wonders from all over the world which are featured in one gigantic entertainment spectacular.

But there is a Coco in the ninety-sixth edition of the "Greatest Show on Earth"—Coco Jr., a fourth generation sawdust jester, carrying on the tradition established by his father, his grandfather, and his great-grandfather.

School Nurse's 'Concern For Humanity Everywhere'

By FRANK LAPIERRE

"Any man's death diminishes me because I am involved in mankind. And therefore never send to know for whom the bell tolls . . . it tolls for thee"—John Donne (1624)

A San Mateo woman who expresses "concern for humanity everywhere" does more than talk about it.

For the past three years Miss Bertha Sanchez, a school nurse at Daly City's Jefferson High School, has spent her summer vacations serving humanity just about everywhere.

From the rooftops of Hong Kong to the shell-scarred hillsides of Viet Nam, down to the gaudy slums of Tijuana, the pert Miss Sanchez has donated her medical skills to making humanity well.

A little known, but active non-profit organization known as "Project Concern" has been on the receiving end of Miss Sanchez' services—made possible by donations of trading stamps, for the most part.

☆

IN THE SUMMER of 1964, Miss Sanchez spent two weeks in Hong Kong where she literally worked "around-the-clock," at one of the organizations's clinics.

En route home she stopped over in Viet Nam for a nine-week working visit in the Central Highlands region of that war-torn country.

"It was certainly remote," she recalled. "There were about 800 people in Dam Pao, but we treated patients from all over the countryside.

"We never asked their political affiliations, and I know we treated more than one Viet Cong without really knowing who he was at the time. As a matter-of-fact we trained a Viet Cong sympathizer—of course we didn't know he was with the Viet Cong until later," she said.

Born in Manila, the Philippines, Miss Sanchez came to the United States shortly after World War II.

"Perhaps that is why I want to travel and help people in less developed areas."

Again summer vacation 1965 rolled around, and again Miss Sanchez was off for Viet Nam. This time for eight weeks.

It was on this second visit she learned the hospital had grown from a small clinic with a staff of one doctor and one lab technician, to a full-fledged 40-bed hospital with a staff of six.

The trips were made possible by trading stamps, according to Miss Sanchez.

"When students here at Jeff High heard I wanted to go to the Far East on this project concern mission, they donated 450 books of trading stamps to cover my $900 air fare," she said.

☆

JEFFERSON High School's 1966 summer vacation started last June.

Normally, Miss Sanchez would have picked up her battered suitcase and headed for International Airport, thus onto a jetliner bound for Viet Nam, and to the simple Koho tribesmen of the central highlands.

Unfortunately, airlines have a standard rule concerning tickets—they cost money, and Miss Sanchez was almost broke from previous trips.

"People like Miss Sanchez are hard to hold down," Jefferson High senior Lauri Sarrubi said. "Instead of taking it easy, she volunteered for two weeks with project concern in Tijuana."

Asked why Project Concern has such a strong magnetic affect on her, Miss Sanchez replied:

"Because it is a positive, people-to-people program of medical assistance to people everywhere. The organization is made up of people who are concerned with the needy and sick of the world."

In less than six years the organization, started by Dr. Jim Turpin, has sprouted from a small Hong Kong clinic, to more than 100 doctors, nurses, pharmacists and teachers, representing some 19 nationalities.

"It is believed that in those areas where relative plenty exists there is a need on the part of the materially fortunate to assist actively in developing physical well-being for those who lack the basic elements," a Project Concern spokesman said.

THE Northern California branch of the organization is headed by San Francisco pharmacists Dr. Dennis Wong.

Dr. Wong, noting how well the trading stamp program has progressed, established a "stamp lick'em league" recently.

"It is really a wonderful way to help," Miss Sanchez said. Adding, "Project Concern is not only a tax-exempt organization, but also registered with the state department's committee on voluntary foreign aid, a branch of the agency for international development."

Black Light Trap Warning Is Given

Lorene Beasley

SEVERAL mail order enterprisers have been promoting a so-called insect trap, "Black Light." The advertisements, which promise "Enjoy Insect Living," claim to clear 30,000 square feet of all flying insects also, "clear an area of 3 acres of all flying insects including house flies and mosquitoes." Further allures are pictures of patios and barbecues completely protected by "Black Light."

After a thorough investigation, Better Business Bureau has found no entomologists or authorities who have recommended traps for the average homeowner.

The prevailing view is that such traps actually attract far more insects than they can dispose of thereby increasing the homeowner's problem rather than eliminating it.

Few homeowners have property large enough to place insect traps at sufficient distances to attract the insects away from the area to be protected. With tongue in cheek, maybe a trap should be bought as a gift for a neighbor!

THE "Black Light" insect traps employ omni-directional fluorescent ultra-violet lamps, a fan driven by a small motor to suck light-attracted insects into a bag, or an electrocutor grid. The ultraviolet lamp attracts photopositive or light-attracted insects from considerable distances and from all directions. However, all insects upon their arrival at the trap do not necessarily fly into it.

House flies resist light air currents created by the fans. Mosquitoes are more attracted by food than by light. Electrically charged screens and grids with a voltage over 3600 will kill specific species of insects on contact depending upon size.

The proper spacing of grids is essential, to assure short-circuiting contact on the one hand and prevent clogging on the other. Therefore, their effectiveness is generally limited to one size of insect.

Entomologists are in agreement that the use of lights in any kind of insect control is still in the experimental stage even though light traps of the Black Light type, except for the electrocutor grid, have been used for years in the sampling of insect populations.

PROFESSOR H. O. Deay of Purdue University, one of the foremost entomologists whose experimental work in the economic control of hornworms on tobacco crops, has often been erroneously quoted in claims for the positive control of insects in the backyard.

He admits that he has often been attacked by mosquitoes when working in the vicinity of his traps.

LETTERS TO THE EDITOR

To the Editor:

We parents are urged to protect our children against disease by immunization. But we are not warned that some children can have severe effects from these live vaccines, often more serious than the disease itself. Doctors are too ready to immunize without screening out childen that could be adversely effected by the vaccine, such as children with rickets (even in mild form), and worms, and those given to convulsions, and possibly those with heart conditions.

The Federal Drug Administration should insist that warnings be issued about the hazards of these live vaccines in certain cases.

I almost lost my three-year-old child during her reaction to Measles Vaccine. Her temperature rose to 104½ degrees, and would not stay down. She convulsed severely and was taken to emergency, and spent three days in the hospital with her fever going up and down.

It cost me over two hundred dollars for that measles vaccine, to say nothing of the added gray hairs!

Ray Anthony and His Bookend Revue—Bimbo's

RAY ANTHONY AND HIS BOOKEND revue opened last night at **Bimbo's 365 Theater Restanrant** to an enthusiastic audience of first nighters. Appearing with Anthony is a young lady who was once "Miss Jet" of the Air Force, pretty vocalist **Diane Varga.** Sharing Miss Varga's spotlight is **Dave Leonard,** a wild and wacky comedian who could possibly pass for Jack E. Leonard (no relation). **Natalie Moore and Kitty Oliver** are two petite singers with the Ray Anthony Revue, who are known as "The Bookends." Last, but never least, the master himself, Ray Anthony, who formed his own orchestra in 1946, shortly after serving in the Navy during World War II. . . . The **Hotel Canterbury's** Ramos Fizz Brunch on Sundays is popular with many out-of-towners.

There's a new out-of-sight sound at **Wayne Manor,** the place that put Sunnyvale into Life Magazine. It's the "Eastern Sound" of **The Aliens,** who are currently featured at this Batman-styled night club. Monday is Ladies' Night with 50-cent drinks. The Tuesday weekly dance contests offer a grand prize of a trip to Hawaii. . . . **The Black Horse** in Burlingame is now off and running. A goodly crowd was on hand to join new owners **Robert Roselli** and **Robert Batinovich** in celebrating the gala grand opening, last night . . . Try the delicious Pastitso (meat baked in layers with macaroni, egg and cheese sauce) at **Louis Gundunas' Balkan Village** supperclub in Los Altos. You may order it on the Combination dinner which also includes Dolmades (meat in grape leaves) andKeftethes (Athenian meat patties).

JAMES CONIFF, popular Bay Area piano stylist, is now entertaining each Tuesday through Saturday night in the Stagecoach Room at **Stickney's of San Mateo.** His delightfully subtle tunes add a musical bouquet to the fine family-style dining at this wonderful new restaurant and intimate cocktail lounge, located on the ground floor of the nine-story Fifth Avenue Center. The Stagecoach Room menu now features **Adrian Stickney's** famous barbecue meats, steaks and roasts, as well as a fine selection of sea foods. . . . Financial district workers flock daily for luncheon to the new **Monty's** restaurant on Montgomery at Washington, San Francisco. Dinners are superb. Owners **Gordon, Frank** and **Joe Moraweitz** have accomplished wonders at this popular luncheon and dinner spot. Relax and enjoy cocktails, and a really fine dinner.

DICK WESTON, one of the most talented young ventriloquists in show business and already a favorite on the Nevada scene, will be appearing at **Harvey's Resort Hotel** Pavilion of the Stars, South Lake Tahoe, September 30 through October 13 with lovely **Barbara McNair.** His companions, "Aunt Martha" and the booze loving tramp "Clarence," are two of the most delightful personalities an audience could hope to meet. Radiating excitement every time she appears, Miss Barbara McNair bursts on her audience with a polished sultry voice and swings into action with "Nothing Can Stop Me Now." These great acts will be backed by the **Al Tronti Orchestra** during their two-week engagement.

JACKIE PHILLIPS, a madcap redhead in the colorful revue at **Finocchio's,** is one of the zaniest performers on the local after-dark circuit. Jackie's air of nonchalance and devil-may-care, while performing his songs and monologues, is a great contributing factor to the success of his act. The ladies, especially, break up in laughter at the antics of this exceptional female impersonator. Phillips has played in top night spots all over the country, and in Europe. . . . Don't bet that **Phil Lehr** can't cut a steak to within one ounce of your order at his downtown **Steakery** and elegant new **Wellington Room.** Years of experience has made him an expert at it. . . . Besides the Original Amateur Topless contests every night, the **Galaxie** in San Francisco has singers **Johnny Scott** and **Jennie Rae,** the **Galaxie Sextet** and the **Galaxie Topless Dancers.**

ART ALFINITO
Rudolfo's—Palo Alto

Rudolfo's Famous "Culinary Game"

Art Alfinito, maitre d' of **Rudolfo's** in Palo Alto, plays the role of "psychologist at the door." If you wish, he orders the entree for each member of the party on the basis of dress, speech and personality. If Art fails to please, the dinner is on him. There's been only three misses out of 200.

Homemade Catchup Is Sweet, Spicy and Delicious

If there's anything better in the pickle-and-relish line than homemade tomato catchup, we don't know what it is.

But how delicious your catchup will be will depend not only upon the recipe you use, but on your tomatoes.

The best homemade tomato catchup that has ever turned up at hour house was concocted with the thin-skinned deep-red tomatoes, so fully ripe they were quite soft, bought at a roadway vegetable stand that specialized in garden-type produce. We heartily recommend that similar tomatoes be used in the following fine recipe developed by a friend of ours and made with utter success in our own kitchen.

Special Tomato Catchup

8 pounds deep-red ripe tomatoes (about 2 dozen medium-large or 3 dozen medium-small)
1 cup chopped onion
1 cup chopped celery
½ cup chopped sweet red pepper
1 tablesoon whole pickling spice
1 stick cinanmon
1 cup sugar
1 tablespoon salt
1 tablespoon paprika
1½ cups red wine vinegar
1-3 cup orange juice
Prepared Jars

Rinse tomatoes in cold water; cut out stem ends and quarter.

Into a large kettle turn the tomatoes, onion, celery and red pepper. Cover and cook over moderate heat, stirring occasionally, until vegetables are soft.

Through a food mill placed over a bowl, puree a small amount of the mixture; discard pulp left in mill. Puree remaining mixture in small amounts the same way. As puree comes up high in bowl, pour it into another container.

Pour all the puree into the clean kettle. Note depth of puree. Over medium to high heat, cook puree until reduced by about one-half—about 1 hour.

Tie pickling spice and cinnamon stick in a small piece of cheesecloth; add spice bag to tomato mixture with sugar, salt, paprika, vinegar and orange juice. Cook over low heat, stirring often to prevent sticking, until thick—about 1 hour.

of cooking because of sputtering.

With a glass liquid measuring cup, pour the boiling-hot catchup into one of the Prepared Jars, filling it up to ⅛-inch from the top. With a clean damp cloth, wipe rim of jar and screwthreads; put on lid and screw on band evenly and tightly. Continue filling and sealing jars, one at a time, the same way. Set jars, right side up, in a draftfree place to cool for about 12 hours; then test each by pressing center of lid; if dome is down or stays down when pressed, jar is completely sealed.

Pecan Cream Cheese Pie Is Ingenious

It's luscious, ingenious and utterly American — this Pecan Cream Cheese Pie.

Don't ask us who invented it. We're not sure. But probably it was the good cook in Arkansas who won a prize in a national baking contest for combining pecan pie filling with cream cheese and who named the result Mystery Pie.

We hasten to say that the following version of this pie is not the one that won the prize. Ours is a slightly different recipe worked out by another good cook—this time in New York.

When we tried the New York version at our house there wasn't a single taster, out of half a dozen, who didn't acclaim the dessert. And both kinds of tasters were satisfied: those who insist that regular pecan pie is too, too rich adored this less sweet version; those who dote on pecan pie just because it is so devastatingly sweet still gobbled up all they could of this cream cheese variety!

Pecan Cream Cheese Pie

2 packages (each 3 ounces) cream cheese
¼ cup sugar
1 egg
1 teaspoon vanilla
¼ teaspoon salt
3 eggs
¾ cup light or dark corn syrup
2 tablespoons sugar
1 teaspoon vanilla
1 unbaked 9-inch flaky pastry shell
1¼ cups chopped pecans

In a small bowl, beat together the cream cheese, ¼ cup sugar, 1 egg, 1 teaspoon vanilla and the salt until thick, creamy and smooth; reserve.

In another small bowl, beat 3 eggs just until yolks and white are combined. Add the corn syrup, 2 tablespoons sugar and 1 teaspoon vanilla; beat gently, only until blended.

Spread reserved cream-cheese mivture in the bottom of the unbaked pastry shell. Sprinkle with pecans. Gently pour the syrup mixture over the pecans. Bake in a moderate (375 degrees) oven until the center is firm to the touch—about 35 to 40 minutes.

Note: We baked this pie on one of the low racks of our oven so that the pastry would brown.

Talk Series At Lutheran Church Set

"What is Christianity?" is the theme of a series of talks by the Rev. Erich A. Hoefer, guest this coming week, at Westlake Lutheran Church, Avalon at Westmoor.

Beginning at 7:30 p.m., October 2-5, Pastor Hoefer will consider such questions as: "Is God Dead?," "Is the Church Dying?," "Are the Truths of Christianity Outdated?"

Families are invited to attend these evening sessions, for Pastor Hoefer will speak briefly to the children.

Child care will be provided. At the close of each session there will be time for discussion and fellowship over a cup of coffee.

The Reverend Hoefer, pastor of Abiding Savior Lutheran Church, Scottsdale, Ariz., and the father of six children, has organized a number of congregations during his ministry, in Waterloo, Ia., Willcox, Tucson, and Scottsdale, Ariz.

He has given a great deal of time to Navajo Lutheran Mission at Rock Point, Ariz., during the past five years he has been on the executive committee of the South Pacific District of The American Lutheran Church.

His themes for the talks during the series are: "Real Living," "Coming into our Own," "Reaching our Gaol," and "United With Love."

At the Sunday evening banquet for youth, at 6 p.m., he will speak directly to the young people.

Promotion Program At Bethel

Bethel Church of Pacifica will present a special promotion exercise during Sunday school hour, October 2.

At this time the students who have reached various grades to be promoted to the next class.

They include: Daly Graves, Melinda Harrison, Randy Lorng, Kurt Warford and Cindy Amrine, Valerie Brown, Tami Heitman and Jan Creighton, junior girls; Mke Danielsen, Duane Whitten and Jay Ingham, junior boys; Dennis De La Vega, Terrie Creighton, Susie Wilson and Rosalie Melton, junior high; Yolanda Garcia, Daniel Del La Vega, Sharon Heitman, Rod Martines, Yvonna Wilson, Gail Simon and Martha Lake, to the teens class; Bethel's Sunday school is designed to serve all ages from infant to 100 plus. A special nursery is provided with an attendant at all times.

Richard Brown, Bethel's Sunday school superintendent, reported that there will be many new programs for the year.

Those not having a home church are invited to join in all the services at Bethel, which is located on Higgins Way and Adobe Drive, in the Linda Mar District of Pacifica.

Sunday school begins at 9:30 a.m., with the morning worship hour at 11 a.m. Sunday evening begins at 6:30, with Christ ambassadors, junior Christ ambassadors and adult seminar and ending with the evening service at 7:30.

Temple Beth El Service Scheduled

Peninsula Temple Beth El will be observing Simchat Torah (Rejoicing in the Law) at family services on October 7, at 7:30 p.m. Services will be conducted by Rabbi Sanford E. Rosen and Cantor Hergert I. Epstein assisted by students of the Temple's Hebrew School and the Temple's Youth Choir under the direction of Cantor Epstein.

The Family Worship will be devoted to rejoicing with the Torah, and it will include the Happy Parade, Hakafot, with flags and hats for the little children, prayers and the reading from the last and the first sections of the Torah to symbolize the continual search for God's truth.

"We will conclude our worship in keeping with the concept of the eternal round of life with a brief Memorial, Yizkor, to those whose lives made our lives possible and whose devotion has preserved the tradition for us," Rabbi Rosen stated. The family service will start at 7:30 p.m. to enable all young people and the adults to participate. An Oneg Shabbat, social hour, will follow.

New Pastor At Westlake Church

The Rev. W. G. (Bill) Bates, is the new pastor at Westlake Southern Bpatist Church, taking the place of Rev. Dick Seaton who has moved to Phoenix, Ariz.

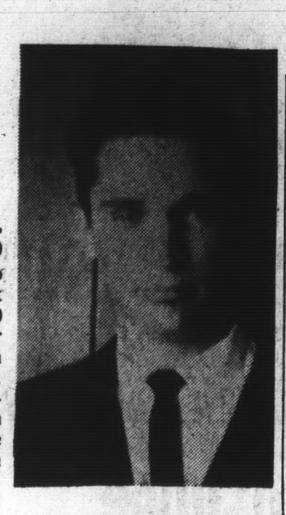
The new pastor is residing at 427 Imperial Drive, Pacifica, with his wife, Betty.

He has been a pastor for 10 years. Arlanza Southern Baptist Church in Riverside, was his first pastorate which was for six years, the second, was Valley Baptist, Castro Valley, Calif., which was for four years.

Reverend Bates is a graduate of California Baptist College, Riverside, Calif. He has two years student work at Golden Gate Baptist Theological Seminary, Mill Valley.

The local church holds services all during the week. On Sunday, Sunday school at 9:45 a.m., morning worship service at 11 a.m., evening services, training union is held at 5:30 p.m., with evening worship service at 6:30 p.m. Mid-week prayer services are held at 7:30 p.m. Missionary meetings for the ladies are held twice a month on Tuesdays at 7p.m. Auxiliary meetings for the children are held twice a month on Wednesdays at 6:30 p.m. The men have a breakfast once a month on Saturday at 8 a.m.

The church phone number is 755-2018. The pastor's home phone number is 355-5564.



REVEREND BATES

Discussion Of Politics At Judea

A political discussion between representatives of Governor Brown and Ronald Reagan is on the program for the Brotherhood of Temple Judea on October 12.

Rober Kent, State-wide Co-chairman of the Committee to Re-elect Governor Brown, and Theron Bell, chairman of speakers' bureau of Northern California representing Ronald Reagan for Governor will present the view of their candidates and then take part in an open question-and-answer period.

The program to which the general public is invited will begin at 8:30 p.m. at Temple Judea, 625 Brotherhood Way, San Francisco.

Fence Goes Up on Skyline . . .

The State Highways Division has contracted the Cyclone® Fence Company to fence a one-mile section of Skyline Freeway. An 11-year-old girl, chasing her rubber ball, was hit by two cars and killed in this area several months ago. Company foreman Robert A. Bouly straightens steel posts prior to "stringing" wire fencing. (Post Photo)

Eastmoor Highway Report Is Given

(Continued From Page 1)

and asphalt concrete in the Westborough Boulevard vicinity, where "State III" of the traffic detour is now in effect.

Major structure work at this time consists of:

—Placement of bottom slabs and stems at the Sullivan Avenue over-crossing.

—Erection of soffit forms for the Route 1/280 separation superstructure.

—Placing of concrete for bent columns and taking of cores at pedestals on the Route 1 connector.

—Placement of concrete for bent columns on the Chinese Cemetery Road undercrossing.

—Erection of falsework for the King Drive undercrossing.

Hart also detailed the progress on the $7-million Route 280 project between Summit Drive and Route 186 in San Bruno.

He said that phase is 45 per cent complete.

This construction, the third going project on Route 280, includes 1.7 miles of eight-lane freeway from Larkspur Drive to Route 186 and rough grading from Summit Drive to Larkspur Drive—to be completed next year.

A project to landscape the 1.3-mile section of Route 280 between Larkspur Drive and south of San Bruno Avenue has been proposed for next year.

Another Route 280 project is a 2.3-mile unit between San Bruno Avenue, in San Bruno, and Arroyo Drive in South San Francisco, currently under design study.

Right-of-way is being acquired and this project, Hart said, is "tentatively schdeuled for advertising in the next several years."

A co-operative agreement is being negotiated for signals at the El Camino Real (Route 82) intersection with Sneath Lane in San Bruno. The state has programmed $30,000 for this project, due for advertising this year.

On Route 101, there is a project under design study to expand 6.7 miles to an eight-lane freeway between San Bruno Avenue, near San Bruno, and Third Street in San Francisco. A proposal to widen the freeway on the outside, where feasible, to provide a wider median to accommodate disabled and maintenance vehicles has been approved. In addition, design plans are being prepared for 2.5 miles of four (ultimate six-) lane freeway between 1.5 miles west of Route 35 and Route 280 in San Bruno.

Construction for several years is not expected.

Two projects on Route 186 are under design study, being planned for concurrent construction at the request of San Bruno city officials:

—A six- ultimate eight-) lane freeway from Route 280 to Route 82 in San Bruno.

—An interchange for Routes 186/101.

A sum of $300,000 has been budgeted for a project to resurface and build shoulders on 5.2 miles of Route 35, including channelization and signals at Hickey Boulevard and channelization south of Route 1 in Daly City.

Stabbing Victim Is Recovering

An inmate of the San Francisco County Jail in San Bruno is recovering from stab wounds inflicted during a fight with another inmate last week.

Sheriff Mat Carberry labeled the incident "the most serious in years."

Norman Matthews, 23, 136 Merrian Street, Daly City, was stabbed in the abdomen with a boning knife wielded by fellow-inmate Edward Royal, 31, 112 Lyon Street, San Francisco.

A San Francisco General Hospital spokesman, where Matthews was rushed for treatment, said the knife "went past the abdomen into the chest area."

Carberry was unable to determine the exact cause of the fight, but called it "just a fight between two inmates."

Both men were trustees assigned to the prison's kitchen detail, Carberry said.

Royal was scheduled for release October 5 after a one-year sentence for possession of a deadly weapon. He now has been charged with assault with a deadly weapon and intent to do bodily injury, a prison official said.

Less than five hours after the stabbing but in an unrelated incident, more than 60 inmates forced their way into a lecture room and refused to leave until an inmate was released from isolation.

Backed by a dozen deputies, Carberry entered the prison and talked with inmate representatives for about an hour.

Subject of the grievance was an inmate placed in isolation for failing to obey a guard who ordered him to turn off his radio.

The prisoners claimed the man's isolation treatment was "severe," Carberry said.

Voting Group Will Convene

Thr first general meeting of the year for the pre-provisional League of Women Voters of North San Mateo County will be October 5, 9:30-11:30 a.m. at 3160 Oakmont Drive, South San Francisco.

This meeting will involve the four North County units: Daly City—Colma, Pacifica, San Bruno, and South San Francisco.

Speaker will be Mrs Ruth Church Gupta, whose topic will cneter on water quaity control progress and planning.

The North County League presently is studying the state's mechanism and responsibility for water quality and control.

Mrs. Gupta is a member of the California Water Quality Control Board. She formerly served as a member of the San Francisco Bay Regional Water Pollution Control Board.

N. County Men Named to Posts

Two San Francisco State College faculty members from Daly City have been appointed to administrative posts.

Dr. Don C. Gibbons, 266 Westridge Avenue, has been named chairman of the department of sociology, and for Dr. Thomas H. Bates, 32 Montrose Avenue, is the new director of the Center for World Business.

A professor of sociology at the college, Dr. Gibbons joined the San Francisco State faculty in 1957. He received his bachelor's, master's, and doctorate degrees from the University of Washington in Seattle. Before coming to San Francisco State, he taught and was active in population research at the University of Washington and was on the faculty of the University of British Columbia in Vancouver. During World War II, he served with the U.S. Navy in the Orient.

Dr. Gibbons, 40, has written extensively on criminology and juvenile delinquency, including a book entitled "Changing the Law Breaker."

He and his wife, Carmen, have two children, Michael, 10, and Diane, 7.

The Center for World Business, which Dr. Bates will head, provides specialized graduate and undergraduate education for those seeking careers in international commerce, finance, transportation, business operations, and development.

Dr. Bates, 39, an associate professor of world business, joined the San Francisco State faculty in 1963. He received his bachelor's degree from the University of Southern California, his master's from San Francisco State, and his doctorate this month from UC at Berkeley, where he held a U.S. Steel Fellowship in business administration.

He also studied at Fullerton Junior College and UCLA.

Prior to joining the San Francisco State faculty, he was export sales engineer with Frazer and Hansen, Ltd., of San Francisco.

NOTICE TO CONTRACTORS

1. NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of San Mateo, State of California, will receive sealed bids for the furnishing of all labor, materials, transportation, and services required for the
IMPORTED SAND FILL FOR COYOTE POINT REGIONAL PARK BEACH DEVELOPMENT for the COUNTY OF SAN MATEO

2. Each bid shall be in accordance with drawings, specifications, and contract documents prepared therefor now on file with the Purchasing Agent, County of San Mateo, Courthouse, Redwood City, California.

3. Drawings, specifications, and contract documents may be examined and copies obtained at the Office of the County Purchasing Agent, Redwood City, California, upon deposit of $10.00 for said documents, which deposits will be forfeited if the Contractor fails to return the drawings and specifications in good condition within ten (10) days of the bid opening date.

4. A complete set of drawings, specifications and contract documents may be examined at the Office of the San Mateo County Director of Building Construction, County Office Building, Redwood City, California.

5. Bidders are responsible to see that they obtain a complete set of plans, specifications and contract documents covering the work upon which they submit a bid.

6. Bids shall be submitted upon proposal forms furnished and bound in the specifications and in accordance with regulations, as set forth in the General Conditions, and shall be accompanied by a certified or cashier's check or bid bond for 10% of the amount of the bid as noted in said General Conditions.

7. Bids shall be sealed and filed with the Clerk of the Board of Supervisors of the County of San Mateo at the Hall of Justice and Records, Redwood City, California, on or before the 11th day of OCTOBER, 1966, at 2:15 P.M. and will be opened in public in the Chambers of said Board of Supervisors at or about 2:15 P.M. of that day in said Hall of Justice and Records.

8. The Board of Supervisors of the County of San Mateo, State of California, reserves the right to reject any and all bids, alternate bids, or unit prices and/or waive any irregularities in any bid received.

9. No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

10: Bidders are hereby notified that pursuant to the Statutes of the State of California, or local law thereto applicable, the Board of Supervisors has ascertained the general prevailing rate of per diem wages and rates for legal holidays and overtime work in the locality in which this work is being performed, for each craft or type of workman or mechanic needed to execute this contract which will be awarded the successful bidder.

11. It shall be mandatory upon the Contractor, and upon any subcontractors under him, to pay not less than the said specific rates to all laborers, workmen or mechanics employed by them in the execution of the contract.

12. The prevailing rates so determined are as follows and are based on an eight hour day, forty hour week, except as otherwise noted. Existing agreements between the Building Trades and the Construction Industry groups relative to overtime, holidays and other special provisions shall be recognized.

LOCAL LABOR:

13. It is the policy of the Owner that contractors on public projects employ their workers and craftsmen from the local labor market whenever possible. Consistent with that policy the Contractor is requested to employ his craftsmen and other workers from the local labor market whenever possible to do so. "Local Labor Market" within the meaning of this section is defined as the labor market within the geographical confines of the County of San Mateo, State of California.

WAGE RATES:

14. The Board of Supervisors has determined the rate of prevailing wages in the locality in which the work is to be performed for each craft or type of workman or mechanic needed to perform the contract. Said prevailing rates are set forth below:

CRAFT	PER HOUR
Chief Engineer	$1180.00 per month
Lumberman	5.63
Assistant Engineer	5.17
Welder	5.43
Deck Mate	4.79
Levy Foreman	4.73
Wenchman	4.73
Fireman/Oiler	4.30
Levy Hand	4.73
Deck Hand	4.30
Bargeman	4.30

ANY WAGE RATE NOT LISTED HEREIN FOR ANY BUILDING CRAFT, SAN MATEO COUNTY WAGE RATES WILL APPLY.

A bond will be required for the faithful performance of the Contract in amount of not less than One Hundred Per Cent (100%) of the amount of the bid, and a bond will be required to guarantee the payment of wages for services engaged and all bids contracted for materials used in the performance of the Contract in an amount of not less than One Hundred Per Cent (100%) of the bid.

BOARD OF SUPERVISORS,
County of San Mateo, State of California.

Gift, Words of Appreciation . . .

THE NORTH COUNTY Mental Health Association volunteers honored outgoing president Mrs. John Basanez at a farewell luncheon and a parting gift at the Mental Health Center in the Westlake area of Daly City. Seen here are Dr. Howard Gurevitz, assistant program chief, presenting the gold and alabaster desk set to Mrs. Basanez, assisted by the new president, Mrs. Roy J. Tierney. (Post Photo)

Volunteer Mental Health Leader Honored at D.C.

Volunteers of the North County Mental Health Center, 45 Southgate Avenue, Daly City, met with the staff of the Center to present out-going volunteer chairman, Mrs. John Basanez, with a gift of appreciation for her leadership of the volunteers of the MHC since the Center opened in January, 1965.

Mrs. Basanez, a member of the Mental Health Association (MHA) since the spring of 1964, is a member of the original group of volunteers who participated in a six-week orientation in 1964, offered by the MHA to train volunteers for their roles in the mental health programs of the North County Mental Health Center.

Mrs. Basanez and Mrs. Roy J. Tierney, newly appointed chairman of volunteers, addressed a group of new MHC volunteers and with Dr. Howard Gurevitz, director of the Center, urged all new, old and prospective volunteers interested in the MHC, to attend the orientation being sponsored by the Mental Health Association of San Mateo County.

The one-day orientation program will be from 9:30 a.m. to 2:30 p.m. at the Woodlake Spa, 900 Peninsular Avenue, San Mateo, October 3.

Information for those needing transportation or wishing to make luncheon reservations is available through the Mental Health Association of San Mateo, 342-6053.

Dr. Joseph Downing, chief of Mental Health Services of San Mateo County, and Mrs. Joseph Maldari, a volunteer who has served other state programs as well as that of San Mateo, will headline speakers.

A volunteer panel, including Mrs. John Basanez, outgoing chairman of volunteers of North County; Mrs. Granville Browning, of the volunteers in the Child Guidance Center; Mrs. Lee Eurotas, chairman of Agnew's volunteers; Mrs. William Miles, volunteer from the Day Center and Neuropsychiatric Ward in San Mateo, and Mrs. David Nemer, president of the Auxiliary to Mental Health Programs, will describe the scope of activities in the program of the association.

Dr. Samuel Leavitt, president of the board of the MHA; Paul Schabacker, executive director of the MHA, and Don Heath, demonstrations officer of the county Mental Health Services, will also be on the program.

Lunch, served by the Auxiliary to the Mental Health Programs, will be available for $1.25.

Youth Nearly Drowned At S.S.F. High School

A 17-year-old South San Francisco High School student pulled unconscious from the school's swimming pool Friday afternoon, is in "very serious" condition at Peninsula Hospital.

Steve Coffey, son of Mr. and Mrs. O. M. Coffey, 220 Hazelwood Drive, South San Francisco, apparently "overextended himself" while practicing water polo about 2 p.m. Friday, and had stopped breathing before it was discovered he was in trouble.

Witnesses said other members of the swimming group noticed Coffey was lying on the bottom of the pool after he had been submerged two or three minutes. The position he was playing in the strenuous sport requires staying submerged for relatively long periods of time.

Resuscitation was administered by the swimming coach, and Coffey was breathing when the South San Francisco Fire Department rescue unit arrived. He was still in the hospital's intensive care unit this morning.

BBs Damage Bus Windows

Vandals shattered windows on eight buses and a truck using "BB" guns while the vehicles were parked in the Jefferson Untion High School garage on Station Avenue in Daly City Thursday.

SHIRLEY SCALINI took sweepstake honors at the first standard Pacifica Flower Friends show. Shown with her winning arrangement, "Treasure of the Ocean Floor," Mrs. Scalini demonstrates how sea onion, abalone shell and a starfish can be artistically arranged. (Post Photo)

Girl Scout Association Active Again

With the resumption of school, the Westlake Girl Scout Association and Scouts of the area are active again.

Adults in the Westlake area will convene September 28, at 10 a.m. at the Broadmoor Community Center, to meet the district advisor, Mrs. Susan Hobart. For additional information call Ruth Viviani, 755-8021.

There will be a neighborhood camporee October 14-16, at Huddart Park in Woodside hills. Senior Troop 24, under the leadership of Mrs. Alan Mori, will plan the events.

As in the past, there will be a uniform exchange. Outgrown or now unused uniforms or accessories may be turned over to Lou Mallano.

Junior Troop 55, under the direction of Joan Luders, and Troop 121 by Lee Caldwell, have planned fall camping trips.

Troop 121 is planning their camp at Butano, October 9.

Brownie Troop 505, under leadership of Diane Cecilio, assisted by Trudy Wyatt, participated in "Mayor Art's Saturday Moring Special" show Saturday.

Volleyball, Arts, Crafts Class Offered

The Pacifica Park, Beach and Recreation Department will be starting its Women's Volleyball League with an organizational meeting and clinic on October 5, at 7:30 p.m., in the Oceana High School gym.

Any women living in Pacifica, who are interested in playing volleyball in the league should come to the first meeting. Teams will be selected then and the rules and regulations of the league discussed.

Been a long time since you played volleyball? Don't worry! We will be having a skills and rules clinic to refresh your memory. For further information, contact the recreation department.

The department is also sponsoring a Children's Arts and Crafts Class beginning October 8, at Oddstad Park. A class for six to eight year olds will be held from 9:30 to 10:30 a.m. and a class for nine to 12 year olds from 11 to 12 p.m.

Tornadoes Lose to San Rafael

San Rafael Glass and Paint pulled off the upset of the league last week as they defeated previously unbeaten Thompson's Tornadoes, 7-3, to collect their first league victory in the Daly City Recreation Department sponsored Marchbanks Division Adult Softball League.

Bill Zakis, George Stahl, Gilio Casentino and Walt Wilson all provided timely hitting to spark the winners' attack.

The Tornadoes took an earlier game from the Rebels 9-8 to remain in first place just a half game ahead of the Rebels. Leading the Tornadoes in this game were Randy Wilcox with 4 hits in 4 trips and Jack Gleason with a clutch 2 RBI double.

The Rebels bounced back from their earlier defeat as they walloped the Streakers 11-5 behind the hitting punch of Ed Coit, Bob Bucci and Mike Verlatti.

WESTLAKE PARK LEAGUE

The Starlite Hofbrau took undisputed possession of first place in the Westlake Park Division of the Adult Slow Pitch Softball League last week with an impressive 18-8 victory over the Jug Shop. The Hofbrau exploded for eight runs in the second inning and coasted easily from then on to take the win.

Tom Ming led the winners attack as he went 4-4 at the plate while Dan Emmett dazzled the fans with outstanding defensive plays.

Rico's Rockets broke into the winner's column last week as they blasted their way to a 16-8 win over the Pacifica Auto Parts Giants. Leading the Rockets' attack were Mickey Pagan with a perfect five for five and Jim Forgan with four for five.

To round out the action the Westlake Lounge jumped to a 5-0 lead early in the game then had to hang on as they squeezed past the powerful Daly City Playboys by the score of 6-5.

The Lounge put together a team effort to grab the win while the Playboys were sparked by the hitting of Bob Mannini, Mike Ciardella and Chuck Vincent.

COLMA LEAGUE

The Odd Fellows edged Bill and Mike's Shell Service, 8-7, to move two games ahead of the pack in the Colma Division of the Adult Slow Pitch Softball League. Leading the Odd Fellows' attack were Dave Tyree, Carl North and Ray Link, all with three hits.

The Servomation Vendors pulled off an upset as they defeated Mac's Men 9-5 behind the 4 for 4 hitting of John Montoya and the fine defensive performance of Leo Hiaze.

Thompson Aircraft Tire nabbed their first league victory as they trounced the Servomation Vendors 18-4. Playing well for Thompson Aircraft were Bill Gretter, Ralph Oleese, Mike DiChara and Tom Connelly.

Rounding out the league action Bill and Mike's Shell Service came out on top of a sluggers battle as they edged Thompson Aircraft Tire 14-12.

Jeff High 110 Team Has Speed

This year Jefferson 110 basketball team will once again be a contender. The one large obstacle the team has to overcome is trying to follow up to the 1965 team's outstanding record of 14-0.

This year, Coach Mike Orlich has eight returning veterans and some very fine first year men. Returning for his third straight year is junior Barry Perrone. As a sophomore Perrone was an all-league guard and team captain.

This year he should once again lead the team. Also returning to the squad are guards Florito Flores and Jerry Kaleiki, and center Ray Schrock. This is Kaleiki's and Schrock's second year and Flores' third year. All three should figure in this season's plans.

Outstanding first year men are Junior Rebarber, Larry Belfrage, and forward Joe Masancgay.

The team's greatest assets seem to be their speed, fast break, and pressing defense.

When asked, Orlich had this to say about the upcoming year: "All teams will be tough, with Westmoor and El Camino the toughest, but if we shape up, nobody will be tough."

The 110's have two practice games before their league opener, one will be at Jeff with Westmoor October 3.

One hundred and Tens Roster:

Robert Acquino, Herb Aceuituno, Gilbert Azevedo, Larry Belfrage, Carl Bevels, Don Dupont, Dave Davi, Florito Flores, Jerry Garibaldi, and Bill Gregory.

Jerry Kaleiki, Jose Masancgay, Phil Medina, Jim Mourra, Barry Perrone, Junior Rebarber, Don Redmond, Ken Reitz, Robert Smith, Ray Schrock, Andy Themoleas, and Rick Yano.

Adults Sign Up for D.C. Basketball

The Daly City Recreation Department is now taking sign-ups for an Adult "3-Man" Hunch Basketball League which will start October 18, at the War Memorial Community Center.

All games will be played on Tuesday nights between 7 and 10. League play is open to men 21 years of age and over. Each team will be allowed five men to a roster. A $1 entry fee per player will be charged. Rosters and entry fees will beduenot later than October 14.

Rosters and fees can be turned in to the Recreation Department Offices at 144 Hillside Boulevard anytime between 8:30 a.m. and 5 p.m. or to the recreation leader at the War Memorial Community Center between 7 p.m. and 10 p.m., Monday through Friday.

For further information contact Mickey Corso, recreation supervisor, or Jack Campbell, tournament director.

1966 Touch Football Is Underway

The Daly City Recreation Department has officially opened its 1966 Fall Touch Football program for all boys in the fifth, sixth, seventh and eighth grades.

The program will consist of three divisions: Midget League, fifth and sixth grade boys; Intermediate League, seventh grade only; Junior League, eighth grade only.

Teams are forming now, so any persons interested should report to the nearest playground or supervised school area and sign up with the recreation leader on duty between 3:30 and 5 p.m. weekdays or 10 a.n. to 4 p.m. Saturdays.

Resin Craft Classes Set

The Daly City Recreation Department is sponsoring special classes in Resin Craft. The classes will be held on Wednesday from 1 to 3 p.m. at Westlake Park starting October 5. They will be limited in size and registration will be necessary.

The fee for the course is $5 for the six weeks of classes. The fee may be paid and registration made from 12:30 to 1:00 p.m. the day of the first class at Westlake Park. It will be on a first-come, first-served basis.

For further information call the recreation department.

"DENTAL HEALTH FACTS"

Samll cavities in the teeth can be filled more easily and with less discomfort than large ones.
If decay is neglected it leads to infection and abscess formation. An infected tooth is a hazard to good health and often must be removed.
A tooth that has been lost should be replaced by an artificial one. If it is not, the other teeth will shift. This shifting may lead to more decay and to diseases of the gums.
Irregular placement of the teeth should be corrected for many reasons: To improve appearance, speech, and the ability to chew food and to help prevent other dental diseases.
Have your dentist check for cavities and follow his recommendations if treatment is needed.

Dr. Campbell tries to limit his practice to the making of dental plates, partial plates, removable bridges and extractions for same, however, he recommends that you see your dentist at least twice a year in order to help prolong the use of your natural teeth as dentures are not as efficient as healthy, natural teeth.
